

#25 The New World Order – The Sixth Millennium’s New World “Promised Land” vs. the Old World

Key Understanding: *The Promised Land.* The New World would be considered the “Promised Land” and the seat of redemption for the Old World, and for the entire world.

Liberty Enlightening the World. There is a reason why the Lord designed the earth so that there would be an Old World, meaning the Eastern Hemisphere, and then that there would be the discovery of the “New World.” Historically, and deceptively, the New World was soon thought to be *the seat of redemption of mankind.* It was thought by colonial America that the Lord’s spiritual healing of the world, or the redemption of the world, would come from the combined spiritual/political philosophies of the New World, reaching back to the Old World. We see this manifested later, for example, in the deliberate positioning of the Statue of Liberty, pointing back east to the Old World, with her official title of *Liberty Enlightening the World.* In the hearts of deceived men, she represents God’s light, vs. the Old World darkness of tyranny.

Liberty Enlightening the World

The New World is the site of the ‘New World Order.’

In short, mankind – and the church – viewed the New World and its new forms of government as being of the Lord, while the Old World with its kings and tyranny was of Satan. [Instead of America being a “Promised Land” from heaven and “One Nation Under God,” it is from hell. It is the Rev. 17:08 Beast out of the Pit – with the “pit” ultimately meaning that the *Declaration of Independence* doctrines it was founded upon are from hell, representing the glory of fallen man.]

Prophetically, the New World became the substitute in the hearts of men for the heavenly kingdom “Promised Land.” Why did the Lord ordain such a counterfeit to be constructed? The answer is . . . to test the hearts of men, whether they desired a kingdom of this world, like America, with its rights, or the kingdom of heaven, with its cross.

John 18:36 (KJV) *Jesus answered, MY KINGDOM IS NOT OF THIS WORLD: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.*
