

## **#40 The Legs of Iron – Diocletian’s Split, part 3, Diocletian retires to Split, part b**

Split,  
Croatia

**Key Understanding:** *Diocletian retired to his palace at Split.* In order to verify and clarify that Diocletian’s Split was the beginning of the fulfillment of the ‘divided’ Legs of Iron of the Roman Empire, the Lord ordained that Diocletian would retire to his palace that he had constructed at Split, which was located in what is the present day country of Croatia, on the Adriatic Sea.

**Diocletian’s Palace.** Diocletian’s Palace at Split was constructed between 293-305 A.D., and today is the best preserved palace of its antiquity in the world.
