

#69 Double Her Double – The 1st Double: Napoleon ends the Holy Roman Empire in 1806, in fulfillment of Revelation 18:06

Now we are making a major transition in subject matter from the Legs of Iron to **Double Her Double**. We will begin a substantial trek in developing the understanding of the unfolding history of Western Europe and the United States in prophecy *in just this one area alone*. This history and prophecy greatly surround the theme of *doubles*, and the meaning of history and prophecy is actually revealed through *doubles*. This will take some time to unfold and understand, and it must be taken step by step. One must be patient. Of course, the ultimate question that arises at this time with what we just stated is . . . What does this have to do with the United States? That will all become clear. Let's begin.

There is a reason why Napoleon (*pictured*) ended the Holy Roman Empire in 1806. It is because the event of ending the Holy Roman Empire is a central part of the prophetic verse of Revelation 18:06, which we can call the “*double her double*” verse. Actually this is only one part of “*double her double*.” You will see *doubles* and more *doubles*, which is also the Lord's way of confirming prophetic understandings.

Key Understanding: *Why the Holy Roman Empire ended in 1806. Napoleon ended the Holy Roman Empire in 1806, as a part of the fulfillment of Revelation 18:06, a verse that is about Babylon the Great, which is the United States. [In other words, the Lord actually chose a major event in the year 1806 to fulfill Revelation 18:06.]*

Revelation 18:06 (KJV) Reward her [Babylon the Great] even as she rewarded you, and DOUBLE UNTO HER DOUBLE according to her works: in the cup which she hath filled fill to HER DOUBLE.
