

#75 Double Her Double – The 5th Double: The Austrian Empire becomes Holy a second time

Key Understanding #1: *The Holy Roman Empire ends in 1806, but then becomes a part of the Holy Alliance. Napoleon’s France ends the Austrian-led Holy Roman Empire in 1806, but then the Austrian Empire becomes Holy again, as part of the Holy Alliance of 1815.*

*Revelation 18:06 (KJV) Reward her even as she rewarded you, and **DOUBLE UNTO HER DOUBLE** according to her works: in the cup which she hath filled fill to **HER DOUBLE**.*

The Holy Alliance of Russia, Austria, and Prussia (Germany) in 1815

Key Understanding #2: *The ‘Holy’ Austrian Empire ends once and for all in World War I. The ‘Holy’ Austrian Empire then met its end with the events of World War I. The Central Powers of the Ottoman Empire, the German Empire, and the Austrian Empire were not only defeated in World War I by Great Britain, France, and the U.S., but each of the three empires themselves were dismantled.*

[The Russian Empire also met its end, but it initially entered World War I as an ally of Britain and France, and as an adversary of the Central Powers. The Romanov Dynasty was ended in the midst of World War I, being overthrown in 1917 by the Bolsheviks, who withdrew Russia from the war.]
