

## **#79 The Legs of Iron and Double Her Double – The End of the Daniel 2:40 ‘Legs of Iron’ of the Roman Empire**

**Key Understanding #1:** *World War I brought forth the end of the ‘Legs of Iron’ of the Roman Empire. The events of World War I brought forth the end of the Daniel 2:40 ‘Legs of Iron’ of the Roman Empire, through the end of those that were the former Holy Alliance members – the Protestant German Empire, the Roman Catholic Austrian Empire, and the Eastern Orthodox Russian Empire.*

Of course, by the time of the outbreak of World War I in 1914, the former Holy Alliance was over. The *Orthodox* Russian Empire would be at war with the Dual Alliance of the *Protestant* German Empire and the *Roman Catholic* Austrian Empire, though fewer were emphasizing the religious aspects and spiritual convictions of the empires, as they had in the past.

**Key Understanding #2:** *The religious threads. It was the religious threads of the Eastern Orthodox Church and the Roman Catholic Church that extended and held together the Daniel 2:40 ‘Legs of Iron’ all the way through to and including the Protestant German Empire, the Roman Catholic Austrian Empire, and the Eastern Orthodox Russian Empire [all members of the former Holy Alliance].*

**Key Understanding #2 (continued):** Due to the *religious thread* Christian empires having been the Daniel 2:40 ‘Legs of Iron’, the Lord ended the ‘Legs of Iron’ with the passing of the three so-called Christian Empires through the events of World War I. ▶

It was time for the Daniel 2:41 Feet of Iron and Clay. ▶

We can see then that the Lord has woven together the 1806 history, which ties to “*double unto her double*” in Revelation 18:06, with the history of the unfolding of the Daniel 2:40 ‘Legs of Iron’.

***Revelation 18:06 (KJV) Reward her even as she rewarded you, and DOUBLE UNTO HER DOUBLE according to her works: in the cup which she hath filled fill to HER DOUBLE.***

***Daniel 2:40 (KJV) And THE FOURTH KINGDOM SHALL BE STRONG AS IRON [the Legs of Iron Roman Empire, extending through the Western Roman Empire, which ended in 476 A.D., and the Eastern Roman Empire, which ended in 1453 A.D. The Leg of Iron of the Western Roman Empire was extended to include the life of the Holy Roman Empire, begun***

by Charlemagne in 800 A.D. **Its political power was generally German-based in the earlier centuries**, including that of Charlemagne, King Otto I, and Frederick Barbarossa, **but more Austrian-based in the later centuries through the Habsburg Dynasty**. In the meantime, the Leg of Iron of the *Eastern* Roman Empire was further extended to include the life of the Russian Empire]: *forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise.*
