

## **#82 The Daniel 2:41-43 Feet of Iron and Clay – The War(s) Between the Feet**

*Daniel 2:42 (KJV) And as the TOES OF THE FEET were part of IRON, and part of CLAY, so **THE KINGDOM SHALL BE PARTLY STRONG** [the IRON], and **PARTLY BROKEN** [the CLAY].*

**Key Understanding #1: *The war(s) between the feet.*** The fact that the *Feet* of the ‘Legs of Iron’, which are extensions of the ‘Legs of Iron’, are partly *strong* and partly *broken*, essentially indicates and represents not just *division*, but **conflict and war between the Feet.**

**Key Understanding #2: *Ending the warring Legs, and beginning the warring Feet.*** In other words, just as the divided ‘Legs of Iron’ had their wars, such as (i) Napoleon’s France in 1806 (a) defeating Prussia and (b) ending the Holy Roman Empire, and (ii) the *Orthodox* Russian Empire warring against the Dual Alliance of the *Protestant* German Empire and the *Roman Catholic* Austrian Empire in World War I, **so too do the Feet (of the ‘Legs of Iron’) have their war(s), and there are winners and losers.**

The *winning* ‘Foot and Toes’ Kingdom fulfills the *partly strong*, represented by *iron*.

The *losing* ‘Foot and Toes’ Kingdom fulfills the *partly broken*, represented by *clay*.
