

#103 The French Connection – The New World “Promised Land” Nation: Why America inherited France’s Role from across the Atlantic Ocean

Key Understanding: *The counterfeit seat of the redemption of mankind.* The Lord ordained that the United States of America *inherit* the key historical role of France as the *western* part of the *Charlemagne Split*. A key reason for this inheritance by America of France’s role – from across the Atlantic Ocean – is that the Lord designed that there would be a “Promised Land” in the New World, as *the counterfeit seat of the redemption of mankind.*

Mankind – and the church – viewed the New World and its forms of government as being of the Lord, while the Old World with its kings and tyranny was of Satan. Prophetically, the New World became the substitute in the hearts of men for the heavenly kingdom “Promised Land.”

John 18:36 (KJV) Jesus answered, MY KINGDOM IS NOT OF THIS WORLD: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.
