

#113 The Short Space Kingdoms – The Iron Connection: The Daniel 2:41-43 Feet and Toes of Iron and Clay are yet another extension of the Roman Empire beyond the Daniel 2:40 Legs of Iron

Question: Where are we at this time, and what are we doing?

Answer: At this time we are in the process of fully matching up the kingdoms of Nebuchadnezzar’s Image in Daniel 2 with the kingdoms of Revelation 17:10-12.

Feet and Toes. In order to fully comprehend the matching up of Daniel 2 with Revelation 17:10-12, we need to make sure that we have solidified small steps of understanding. The first small step of understanding is referred to in the title. **The Daniel 2:41-43 Feet and Toes can be considered to be further extensions – albeit more detached extensions – of the Roman Empire**, beyond the *better attached* extensions of the Roman Empire that were a part of the Legs of Iron, which included the Byzantine, Russian, German, and Austrian Empires.

Since we have already seen that Hitler’s Third Reich Germany and Stalin’s USSR are a part of the Daniel 2:41-43 Feet and Toes, then we are to see that those same empires represent a Feet and Toes extension of the Roman Empire, though *more detached* from the original Roman Empire than were the German-Austrian Empires and “Third Rome” Russian Empire that were a part of the Legs of Iron, and which preceded them.

Kaiser Wilhelm II and Germany in World War I represent a final part of the Daniel 2:40 Legs of Iron.

Tsar Nicholas II and Russia in World War I represent a final part of the Daniel 2:40 Legs of Iron.

Adolf Hitler and Nazi Germany in World War II represent the Daniel 2:41-43 Feet and Toes of Clay.

Joseph Stalin and the Soviet Union in World War II represent in Daniel 2:41-43 the Feet and Toes of Iron.

Key Understanding: *The iron connection.* In Nebuchadnezzar's Image, the Daniel 2:41-43 Feet of Iron and Clay are considered to be yet an even further extension of the Roman Empire, even beyond the Legs of Iron of Daniel 2:40. It is the Iron part of the Feet and Toes that clarifies that they are a further extension of the Legs of Iron.

*Daniel 2:40 (KJV) And **THE FOURTH KINGDOM SHALL BE STRONG AS IRON** [the Legs of Iron Roman Empire, extending through the Western Roman Empire, which ended in 476 A.D., and the Eastern Roman Empire, which ended in 1453 A.D. The Leg of Iron of the Western Roman Empire was extended to include the life of the Holy Roman Empire, begun by Charlemagne in 800 A.D. Its political power was generally German-based in the earlier centuries, and Austrian-based in the later centuries through the Habsburg Dynasty. In the meantime, the Leg of Iron of the Eastern Roman Empire was further extended to include the life of the Russian Empire]: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise.*

*Daniel 2:41 (KJV) And whereas thou sawest **THE FEET AND TOES**, part of potters' **CLAY**, and part of **IRON**, **THE KINGDOM SHALL BE DIVIDED**; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay.*

*Daniel 2:42 (KJV) And as the **TOES OF THE FEET** were part of **IRON** [Stalin's Soviet Union], and part of **CLAY** [Hitler's Germany], so **THE KINGDOM SHALL BE PARTLY STRONG** [Stalin's Soviet Union], and **PARTLY BROKEN** [Hitler's Germany].*
