General Lucius Clay represented the United States in its Daniel 2:42 role as the *Strong Iron Foot* in the crushing of *Broken Clay* Germany.

Lucius Clay. Former President **Herbert Hoover** is assisted by a military policeman as he steps down from a train at the Lichterfelde-West station on February 6, 1947. At *right* is Gen. Lucius Clay, deputy military governor of the American sector of occupied Germany.

Hoover was in Europe for three weeks as President Truman's representative, tasked with bringing back a report on the food situation on the war-torn continent. His recommendation was that the U.S. provide food assistance to prevent a famine. Hoover had also organized a relief effort in Europe after World War I.

Clay did his part to help the German people, too, spearheading the airlift that broke the Soviet blockade of Berlin in 1948.

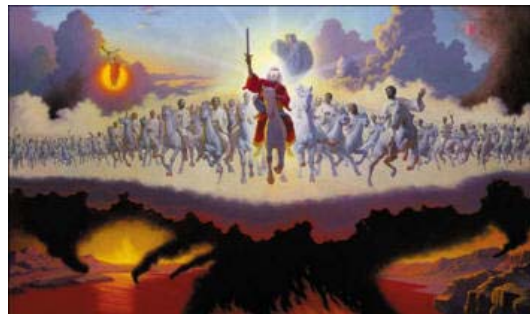

Key Understanding: *The U.S. becomes broken clay. However, another reason why Lucius Clay was named Clay instead of Iron is because America itself becomes Broken Clay, crushed by the Revelation 19:15 Rod of Iron Ruler.*

UNITED STATES – *Strong Iron Foot and Broken Clay Foot of Daniel 2:42*

The United States plays the role of the *Strong Iron Foot* in its defeats of both Germany in World War II *and* the Soviet Union in the Cold War. The United States becomes the *Broken Clay Foot* when crushed by the Revelation 19:15 Rod of Iron Ruler.

Revelation 19:14-15 (KJV) And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.

15 AND OUT OF HIS MOUTH GOETH A SHARP SWORD, THAT WITH IT HE SHOULD SMITE THE NATIONS: and HE [Jesus Christ] SHALL RULE THEM WITH A ROD OF IRON: and he treadeth the winepress of the fierceness and wrath of Almighty God.
