The Role of America and West Germany joined in democracy

This Unsealing is explaining the process of the *Strong Iron Foot* of the U.S. crushing its *Broken Clay* opponents, and then the *Broken Clay* opponents becoming a part of the *Strong Iron Foot* of America. Let's use West Germany as an example.

After the *Broken Clay* Foot of Third Reich Germany was crushed by the *Strong Iron Foot* of the U.S./USSR in **World War II**, do you see that West Germany became joined with the *Strong Iron Foot* of America in the **Cold War** to crush the *Broken Clay* Foot of the USSR, which was joined by East Germany?

Key Understanding: The U.S./West Germany as broken clay. The ultimate destiny of the human governments of democracy, represented by the post-World War II *Strong Iron Foot* of the U.S., allied with West Germany, is to become *Broken Clay*.

Another reason why the Lord ordained Lucius Clay as Military Governor of Germany, leading up to the formation of the nation of West Germany, was to point to the ultimate future of the U.S./West Germany *Strong Iron Foot* alliance becoming a *Broken Clay* Foot when crushed by the Revelation 19:15 Rod of Iron Ruler.

Revelation 19:14-15 (KJV) *And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. 15 AND OUT OF HIS MOUTH GOETH A SHARP SWORD, THAT WITH IT HE SHOULD SMITE THE NATIONS: and HE [Jesus Christ] SHALL RULE THEM WITH A ROD OF IRON: and he treadeth the winepress of the fierceness and wrath of Almighty God.*
