

**#142 The Fall of the Berlin Wall – The October 3, 1990, German Reunification momentarily structured the world to the end-times version of Diocletian’s Split of the West (Roman Empire) vs. the East (Roman Empire)**

At the specific moment in history of October 3, 1990, German Reunification took place. This represented:

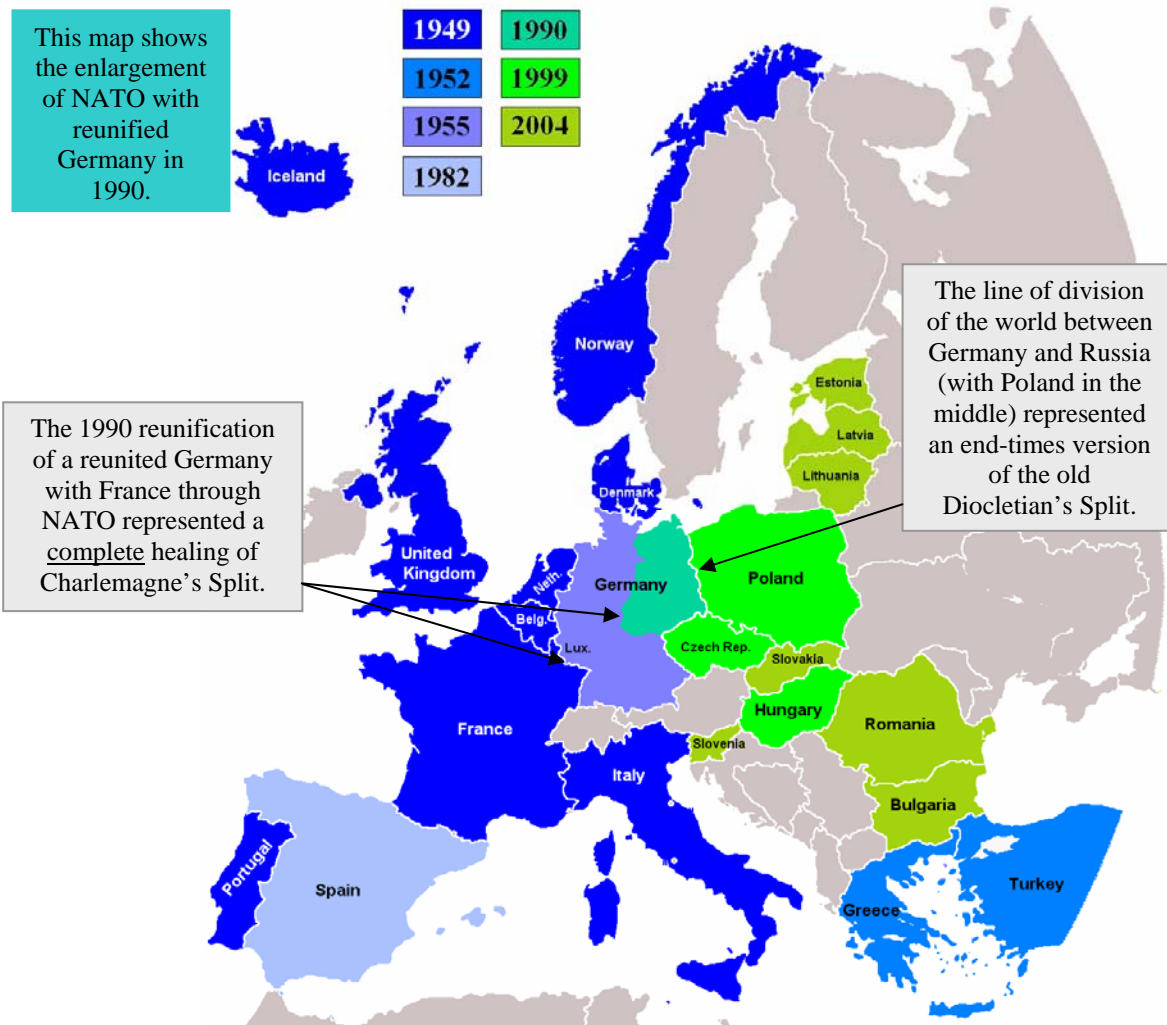

- (a) the reunification of West Germany and East Germany into a united Germany;
- (b) the reunification of unified Germany with France through the NATO alliance with the U.S., essentially representing a Healing of Charlemagne’s Split; [We discussed (a) and (b) in the previous Unsealing, #141.]
- (c) **the momentary structuring of the Cold War conflict to the end-times version of Diocletian’s Split of the West (Roman Empire) vs. the East (Roman Empire).**

**Key Understanding:** *The line of division between Germany and Russia (with Poland in the middle) represented an end-times version of the old Diocletian Split. With a reunited Germany fully a part of NATO on October 3, 1990, the world was temporarily divided along the lines of an end-times Diocletian Split. What is meant by that is that the West now included both France and Germany, while Russia was in the East. The line of division was between Germany and Russia, which was the line of division associated with Diocletian’s Split (after the proclamation of Charlemagne’s Empire, but before Charlemagne’s Split). On October 3, 1990, the U.S., France, and Germany represented the U.S.-led West (Roman Empire conglomerate) and the Soviet Union and remaining members of the Warsaw Pact, still barely alive, represented the USSR-led East (Roman Empire conglomerate).*

What was being fulfilled through the October 3, 1990, German Reunification, in favor of the U.S. and NATO, was a major step in the Daniel 2:42 Cold War crushing of the *Broken Clay Foot* USSR by the *Strong Iron Foot* U.S.

***Daniel 2:42 (KJV) And as the TOES OF THE FEET were part of IRON [Eisenhower – the Man of Iron – and the Rod of Iron U.S.], and part of CLAY [Stalin – the Man of Steel – and the 1991 Fall of the USSR], so THE KINGDOM SHALL BE PARTLY STRONG, and PARTLY BROKEN.***
