

#143 Completing the Crushing of the Feet of Clay – The December 8-10, 1991, Fall of the USSR: The U.S. and Reunified Germany, joined in Democracy by Boris Yeltsin-led Russia

After the Fall of the Berlin Wall, which became a part of the process of the dismantling of the Warsaw Pact (finalized on July 1, 1991), came the December 8-10, 1991, Fall of the Soviet Union itself. This would complete most of the process of the *Strong Iron Foot* crushing the *Broken Clay Foot*.

Key Understanding #1: *The broken clay USSR.* The Fall of the Soviet Union on December 8-10, 1991, became the manifestation of the Cold War *Broken Clay Foot* of the USSR being brought into the Democracy realm of the *Strong Iron Foot* of the U.S. The original *Strong Iron Foot* of the U.S. swallowed up most of the *Broken Clay* Warsaw Pact nations. It forced a Boris Yeltsin-led Russia more towards Western Democracy. Essentially, there was a complete crushing of the *Broken Clay Foot* once represented by the USSR, with the various parts of the crushed foot (e.g., the Warsaw Pact nations) generally changing sides, and substantially becoming a part of the spirit and purpose of the *Strong Iron Foot* of the U.S.-led West.

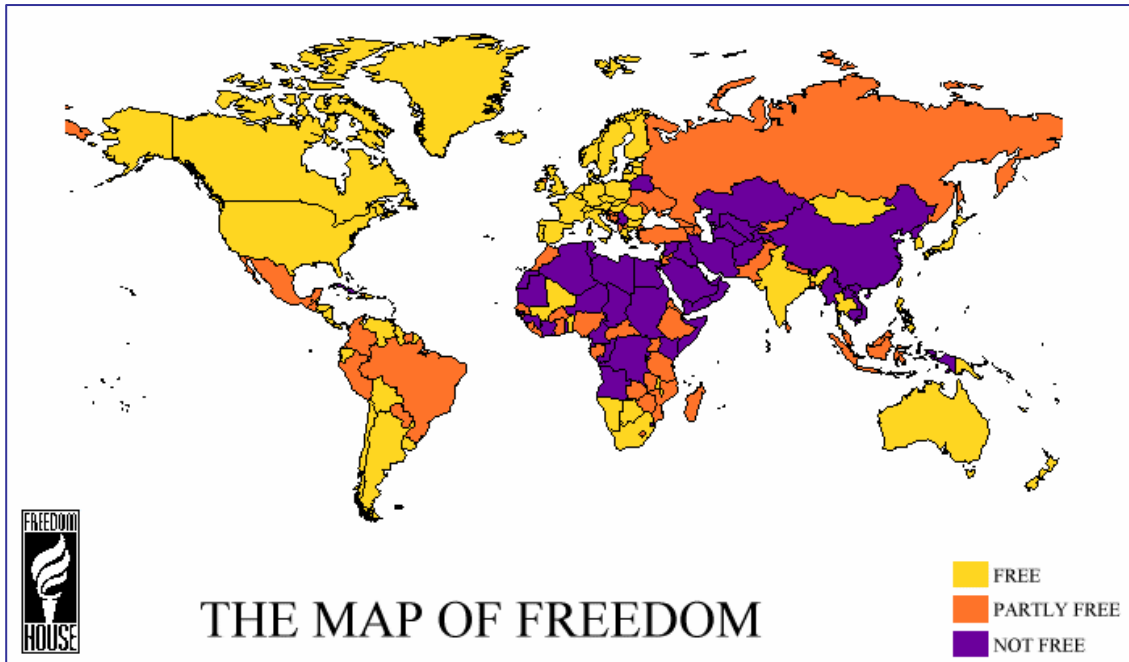

Daniel 2:34

Key Understanding #2: *The U.S. will be feet of clay.* Yet, unbeknownst to them because of spiritual blindness, the U.S.-led *Strong Iron Foot* that completed the crushing of *Broken Clay* Germany and the *Broken Clay* USSR, will be exposed to be the *Feet of Clay* of *Nebuchadnezzar's Image* that the Revelation 19:15 Rod of Iron Ruler crushes upon his Return.

Revelation 19:15

[To further clarify, the *Strong Iron Foot* is only *iron* in the first place because it is counterfeiting the true Rod of Iron. **The truth is that it has actually *always* been a *Foot of Clay***, representing governments and political systems built *with* human hands.]

Read carefully to understand this as well . . . as the *Strong Iron Foot* U.S.-led West, which is actually made of *clay*, defeated the *Broken Clay Foot* of Fascism (World War II) and/or Communism (Cold War), **the Broken Clays became a part of what was already the Clay Foot of Western Democracy**, all of which will be crushed by the Revelation 19:15 Rod of Iron Ruler upon his Return. Thus, when the Lord returns, those of the Feet of Nebuchadnezzar's Image have in their hearts the spirit of the *Strong Iron* of Western Democracy, but actually they are *Feet of Clay*.

Daniel 2:34 (KJV) Thou sawest till that A STONE WAS CUT OUT WITHOUT [human] HANDS, WHICH SMOTE THE IMAGE UPON HIS FEET THAT WERE OF IRON [Eisenhower – the Man of Iron – representing the western Allies of America-Britain-France], AND CLAY [Hitler's Germany at 2:41 a.m., May 7, 1945 (World War II), and Stalin's USSR, of Steel (World War II), but with Feet of Clay (Cold War)] AND BRAKE THEM TO PIECES.
