

## #154 Of the Seven – Redeemer Nation: The New World Eighth in comparison to the Old World Seven

*Revelation 17:11 (KJV) And **THE BEAST** that was, and is not, even **HE IS THE EIGHTH**, and is **OF THE SEVEN**, and goeth into perdition.*

**Key Understanding:** *America, the eighth kingdom, was located in the New World, while “the seven” previous to the eighth were located in the Old World. The purpose of this discussion is to understand another facet of “of the seven.” One of the distinguishing characteristics of the Seven Kingdoms is that each of them – Egypt, Assyria, Babylon, Media-Persia, Greece, Rome, and the Double 7<sup>th</sup> Kingdoms of Third Reich Germany/USSR – were located in the Old World. America was/is located in the New World.*

One of the reasons why the Lord says that the Eighth Kingdom, the Beast, is “of the seven” is because American New World men, in their hearts, represented quite the opposite belief. They believed that the Eighth Kingdom, America, was so fundamentally politically different than the Seven in the Old World that it was not “of the seven.”

**Liberty Enlightening the World.** We previously covered the Statue of Liberty in Unsealing [#105 The French Connection – The French-American Union for the Statue of Liberty](#), and Unsealing [#109 The French Connection – Auguste Bartholdi’s Statue of Liberty and Alsace-Lorraine](#).

The official name for the Statue of Liberty was and still is *Liberty Enlightening the World*. A chain that represents tyranny lies broken at the feet of *Liberty Enlightening the World*. She faces eastward, toward the Old World, because **the Old World represented the tyranny** that lies broken at her feet. **The New World represented liberty.**

**Redeemer Nation of Mankind.** The idea that the New World and its forms of government were of *God and liberty*, while the Old World and its forms of government essentially represented *evil and tyranny*, ran deep in the consciousness of those in the New World. America was the “redeemer nation” of mankind. America in the New World would be considered the “Promised Land” for mankind and the seat of redemption for the Old World as well. *Revelation 17:11 (KJV) And **THE BEAST** that was, and is not, even **HE IS THE EIGHTH**, and is **OF THE SEVEN**, and goeth into perdition.*
