

#161 The World War I *Second* Ascension of America – A Double Portion of the Spirit, part 3, 1708 and 1917

*2 Kings 2:9 (KJV) And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I pray thee, let **A DOUBLE PORTION OF THY SPIRIT** be upon me.*

Key Understanding: *The second ascension of America in 1917. The Lord ordained that there be a prophetic *Second Ascension* of America in 1917 in World War I, that is, a *double portion* of Revelation 17:08, 209 years after the year 1708.*

*Revelation 17:08 (KJV) **THE BEAST** that thou sawest was, and is not; and **SHALL ASCEND OUT OF THE BOTTOMLESS PIT**, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.*

The First Ascension of America in 1776, tied back to 1708

The Lord ordained that America’s ascension out of Pitt’s England would be integrally associated with Pitt, who was born in 1708, for the purpose of verifying and clarifying that America is the Beast in Revelation 17:08 that is arising out of the pit.

William Pitt,
born in 1708

[See Unsealing #1. William Pitt the Elder, born in 1708, was the chief “organizer of victory” and British Empire builder during the Seven Years’ War between Britain and France. Britain’s victory over France led to the birth of the United States, for its by-product was the Stamp Act of

1765, which was a major cause in the colonists beginning their rebellion against England. Pitt later became Prime Minister of England, but after his resignation became known for his powerful defense of the rights of the American colonists.]

The Second Ascension of America in 1917, 209 years after 1708

Remember, the word ‘pit’ in Revelation 17:08 is referring to the abyss in (a) the pure spiritual sense, but it is also describing (b) a historical event in application of the rising out of the abyss. In (a) the pure spiritual sense, the U.S. ascended in World War I on the back of the doctrine of demons of “making the world safe for democracy.” We will be addressing that more thoroughly.

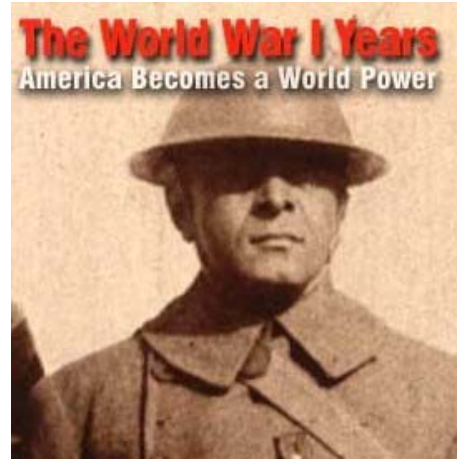

As concerns (b) the historical event in application of the rising out of the abyss, U.S. troops arose out of the Beast itself, meaning America. But Britain would play a special role for America in World War I, and especially in World War II, as Americans were deployed to Britain on their

way to the wars on French soil. In this manner, the U.S. ascended out of Britain once again to fulfill its destiny as the 8th, but as an ally of Great Britain and France. “Lafayette, we are here!”

The fuller meanings of the World War I ascension of America follow.

Woodrow Wilson was President of the U.S. during World War I
