

## #169 The World War I *Second* Ascension of America – A Double Fourth: Death of the Three Christian Roman Empires, and Ascension of the *Fourth Christian Roman Empire*, the United States of America

### (1) The *Fourth Rome since the time of the beginnings of the Roman Empire*

In Unsealing #168, we outlined the basics of the United States becoming the *Fourth Rome*, and reviewed that Rome, Constantinople, and Moscow, and their respective empires, represented the three preceding Romes.

The United States became the *Fourth Rome* since the time of the beginnings of the Roman Empire

**The *Fourth Rome*.** At the identical time, the United States was not only becoming the *Fourth Rome since the time of the beginnings of the Roman Empire* – which then became represented through Christian Empires, such as Constantine and the Byzantine Empire, and the Russian Empire – but it was also becoming the *Fourth Christian Roman Empire of its day*.

### (2) The *Fourth Christian Roman Empire of its day*

Read carefully and concentrate. In Unsealing #79, we concluded our basic block of Unsealings about the ‘Legs of Iron’ with the Very Important Key Understanding that . . . Due to the *religious thread* Christian empires having been the Daniel 2:40 ‘Legs of Iron’, the Lord *ended* the ‘Legs of Iron’ with the passing of the three so-called Christian Empires of Germany, Austria, and Russia, through the events of World War I.

**Key Understanding: *The Fourth Christian Roman Empire of its day*.** The three former Holy Alliance Christian Empires – Prussian Germany, Austria, and Russia – each supposedly representing the true faith of Jesus Christ, passed away due to the events of World War I. The United States, which was already inheriting the position as the *Fourth Rome* because of the passing away of *one* of those empires – the Romanov Russian Empire – was now also fully and additionally inheriting the demonically anointed *Christian Empire* mantle of the other *two*, only this time *in the name of Democracy, not the Autocracy* of Prussia, Austria, and Russia. Thus, the United States was becoming a *Fourth Christian Roman Empire of its day*, becoming the sole falsely anointed replacement for the *Three Christian Roman Empires* (the former Holy Alliance members) of Germany, Austria, and Russia. [Yes, a transfer of anointing from Russia to America occurred in two different manners.]

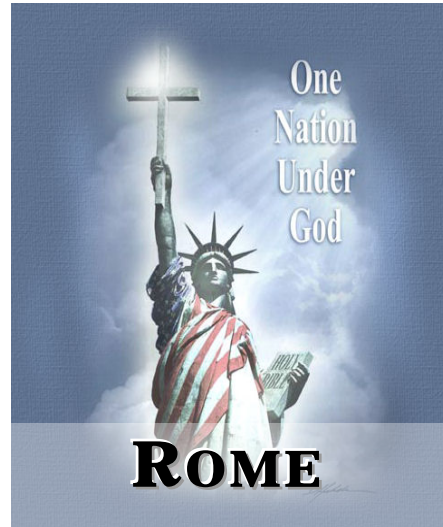

The **First, Second, and Third Christian Roman Empires** (former Holy Alliance members) were Prussia (Germany), Austria, and Russia. Each represented *Autocracy*. All passed away through the events of World War I.

The **Fourth Christian Roman Empire** that alone then assumed the demonically anointed Christian Empire mantle of carrying the torch for Jesus Christ, though in the name of *Democracy*, was the United States of America.

The United States became the *Fourth Christian* Roman Empire of its day
