

#170 The World War I *Second* Ascension of America – Double *Fourth* Romes: America became virtually simultaneously (a) the *Fourth* Rome, since the time of the beginnings of the Roman Empire, and (b) the *Fourth Christian* Roman Empire of its day

The United States became the *Fourth* Rome since the time of the beginnings of the Roman Empire

Key Understanding: *Double fourth Romes*. Thus, the U.S. in World War I, with the passing of the Romanov Russian Empire, assumed its position as the *Fourth* Rome since the time of the beginnings of the Roman Empire.

- The ***First* Rome** was Rome, representing the Roman Empire.
- The ***Second* Rome** was Constantinople, representing the Byzantine Empire.
- The ***Third* Rome** was Moscow, representing the Russian Empire.
- The ***Fourth* Rome** was Washington D.C., representing the United States of America.

And, the U.S. in World War I, with the passing of the Romanov Russian Empire, and the Hohenzollern German Empire, and the Habsburg Austrian Empire, became the demonically anointed replacement, assuming its position as the *Fourth Christian* Roman Empire of its day.

The ***First, Second, and Third Christian Roman Empires*** (former Holy Alliance members) were Prussia (Germany), Austria, and Russia. Each represented *Autocracy*. All passed away through the events of World War I.

The ***Fourth Christian Roman Empire*** that alone then assumed the mantle of carrying the torch for Jesus Christ, though in the name of *Democracy* – and very specifically “Making the World Safe for Democracy” – was the United States of America.

The Holy Alliance of Russia, Austria, and Prussia (Germany) in 1815

The United States became the *Fourth Christian* Roman Empire of its day
