

#201 The ‘Little Horn’ Fifth Beast – July 4, 1848: The Day of Double 555’s

The 5th, 5th, 5th Beast

Key Understanding: *The fifth, fifth, fifth beast. July 4, 1848, would be the day of double 555’s. America was fulfilling prophecy as the Fifth, Fifth, Fifth Beast through the signing of the Treaty of Guadalupe Hidalgo by President James K. Polk, and America was laying the cornerstone of the 555-foot-tall Washington Monument.*

The first 555 on July 4, 1848

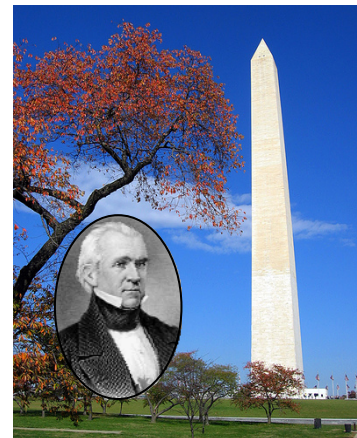

On July 4, 1848, the three ‘Fifth Beast’ phases of the uprooting of England, France, and Spain came to a completion when U.S. President James Knox Polk (*pictured*) signed the Treaty of Guadalupe Hidalgo. Said another way, the United States was (a) completing its destiny of rising as the ‘Little Horn’ Fifth Beast of Daniel 7:8, through (b) finalizing its uprooting of the *third* horn, represented by Spain-Mexico.

The second 555 on July 4, 1848

Not by coincidence, but by the hand of God, President James Knox Polk (*pictured*) had earlier in the day – prior to his signing of the Treaty of Guadalupe Hidalgo, representing America’s fulfillment of its Daniel 7:8 ‘Little Horn’ Fifth Beast prophetic obligations of 5-5-5 – ridden in the procession and attended the ceremonies of the laying of the cornerstone of what would become the 555-foot-tall Washington Monument.

Here is #201–Doc 1, which is about the Washington Monument, and which mentions the well-known fact that it is 555 feet tall.

[Note: The 1990 *World Book Encyclopedia* says the Washington Monument is **555** feet 5 1/8 inches high, and **55** feet 1 1/8 inches along each of its four sides on the bottom. The four sides of the obelisk slant gradually inward as they rise to the base of the pyramidion (small pyramid) that tops the pillar. The pyramidion itself then rises **55** feet. Clearly, the number 5 encompasses the Washington Monument. This is because the laying of its cornerstone on July 4, 1848, occurred on the exact day that America was completing its destiny of rising as the ‘Little Horn’ Fifth Beast.]

*Daniel 7:8 (KJV) I considered the [ten] horns, and behold, there came up among them another **LITTLE HORN** [a Fifth Beast, the United States of America], before whom there were **THREE OF THE FIRST HORNS** [England, France, and Spain, uprooted by*

Mexico, which was then uprooted by the United States in the 1846-1848 Mexican War]
PLUCKED UP BY THE ROOTS: *and, behold, in this horn were eyes like the eyes of man,*
*and **A MOUTH SPEAKING GREAT THINGS.***
