

## #205 The Ten Horns of Daniel 7:7 – Re-introducing the Ten Horns of Daniel 7:7, which are Ten Kingdoms

We are now making the transition from The ‘Little Horn’ Fifth Beast to The Ten Horns of Daniel 7:7.

Let’s begin by reading Daniel 7:7 once again, which is about the Fourth Beast Roman Empire and its Ten Horns, out of which arises ‘Little Horn’ Fifth Beast America.

*Daniel 7:7 (KJV) After this I saw in the night visions, and **BEHOLD A FOURTH BEAST** [Roman Empire], dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and **IT HAD TEN HORNS**.*

Then the ‘Little Horn’ Fifth Beast arrives to fulfill its role in history.

*Daniel 7:8 (KJV) I considered **THE** [Ten] **HORNS**, and behold, there came up among them another **LITTLE HORN** [a Fifth Beast, the United States of America], before whom there were **THREE OF THE FIRST HORNS** [England, France, and Spain, uprooted by Mexico, which was then uprooted by the United States in the 1846-1848 Mexican War] **PLUCKED UP BY THE ROOTS**: and, behold, in this horn were eyes like the eyes of man, and **A MOUTH SPEAKING GREAT THINGS**.*

**Key Understanding:** *The ten horns of Daniel 7:7. What do the Ten Horns represent? If the ‘Little Horn’ represents the ‘Little Horn’ Fifth Beast Kingdom (the United States), and the Three Horns represent the Three Kingdoms of England (Great Britain), France, and Spain, then it is proper to assume that the Ten Horns also represent Ten Kingdoms (of which three were England, France, and Spain).*

Let’s move on to understand the Ten Horns, which are Ten Kingdoms, of Daniel 7:7.
