

#209 The Ten Horns of Daniel 7:7 – The Seven Years’ War and its Ten Horns, out of which ‘Little Horn’ America arose

Ten Horns. Here is Daniel 7:7 once again, which is about the Fourth Beast Roman Empire and its Ten Horns, out of which arises ‘Little Horn’ Fifth Beast America.

*Daniel 7:7 (KJV) After this I saw in the night visions, and **BEHOLD A FOURTH BEAST** [Roman Empire], dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and **IT HAD TEN HORNS.***

Key Understanding: *The ten horns out of which America arose. The Seven Years’ War, known as the French and Indian War (1754-1763) in America, produced the Ten Horns of Daniel 7:7. America arose as the ‘Little Horn’ Fifth Beast of Daniel 7:8 out of the Seven Years’ War (1756-1763), as it was known in Europe, which was a war among ten major European powers, three of which were Great Britain, France, and Spain.*

The painting *The Royal Family on the Terrace of Schönbrunn Castle* (Academy of Fine Arts, Vienna) shows Empress Maria Theresa, Archduchess of Austria, Queen of Bohemia and Hungary, in her family circle.

*Below is #209–Doc 1, a Wikipedia article about the Seven Years’ War. Note that the article outlines **ten (10) major powers of Europe** involved in the Seven Years’ War. We are first borrowing from that particular paragraph, and adding the numbers 1-10, and bolding the three of Great Britain, France, and Spain.*

The war involved all major powers of Europe: (1) Prussia, (2) Great Britain (with British colonies in North America, the British East India Company, and Ireland), and (3) Hanover (Electorate of Brunswick-Lüneburg) were pitted against (4) Austria, (5) France (with New France and the French East India Company), (6) the Russian Empire, (7) Sweden, and (8) Saxony. (9) Spain and (10) Portugal were later drawn into the conflict, while a force from the neutral United Provinces of the Netherlands was attacked in India. [Also see the map *below.*]

*Daniel 7:8 (KJV) I considered **THE** [Ten] **HORNS**, and behold, there came up among them another **LITTLE HORN** [a Fifth Beast, the United States of America], before whom there were **THREE OF THE FIRST HORNS** [England, France, and Spain, uprooted by Mexico, which was then uprooted by the United States in the 1846-1848 Mexican War]*

PLUCKED UP BY THE ROOTS: and, behold, in this horn were eyes like the eyes of man, and A MOUTH SPEAKING GREAT THINGS.

[Note: Sweden counts as an extension of the Holy Roman Empire, just like America became an extension of the Roman Empire, through the religious thread of Protestantism, which we have yet to address. Lutheranism became the official state religion of Sweden around 1540, and the nation developed into a great Protestant military power. The Lutheran Church is still the state church of Sweden, with membership including about 80% of the population. In addition, the King of Sweden must be a member. Though most Swedes do not attend church regularly, the nation's churches are full on religious holidays.]

**The Seven Years' War (enlarging the map will help)
Hanover was allied with Great Britain and Prussia**
