

**#220 The Ten Horns of Revelation 13:1 – The Beast out of the Sea in Revelation 13:1 is the final form, or final extension, of the Daniel 7:7 Roman Empire**

**Key Understanding:** *The 'beast out of the sea' in Revelation 13:1 is the final form, or final extension, of the Daniel 7:7 Roman Empire. Since the Fourth Beast Roman Empire of Daniel 7:7 is excluded, or missing, in Revelation 13:2, while Leopard Greece, Bear Media-Persia, and Lion Babylon of Daniel 7:4-6 are included in Revelation 13:2 (though in reverse order of their appearance in Daniel 7:4-6 as Lion, Bear, Leopard), and since they are the kingdoms leading up to the Roman Empire in Daniel 7:7, the Lord's purpose is for us to interpret that the Beast out of the Sea in Revelation 13:1 is indeed the Roman Empire, though – and this is the key – it is actually representing *the final form, or final extension, of the Roman Empire.**

**Daniel 7:3-7 (KJV) And FOUR GREAT BEASTS CAME UP FROM THE SEA, diverse one from another.**

**4 THE FIRST WAS LIKE A LION [Babylon], and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.**

**5 And behold ANOTHER BEAST, A SECOND [Media-Persia], LIKE TO A BEAR, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh.**

**6 After this I beheld, and lo ANOTHER, LIKE A LEOPARD [Alexander the Great's Greece], which had upon the back of it four wings of a fowl; the beast had also four heads; and dominion was given to it.**

**7 After this I saw in the night visions, and BEHOLD A FOURTH BEAST [the Roman Empire, which came up from the sea; see verse 3 above], dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and IT HAD TEN HORNS.**

**Revelation 13:1-2 (KJV)** And I stood upon the sand of the sea[shore], and saw A BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and upon his horns ten crowns, and upon his heads the name of blasphemy.  
 2 And **THE BEAST [out of the Sea] WHICH I SAW WAS LIKE UNTO A LEOPARD**, and **HIS FEET WERE AS THE FEET OF A BEAR**, and **HIS MOUTH AS THE MOUTH OF A LION**: and the dragon [Satan] gave him his power, and his seat, and great authority.

his mouth as the mouth of a lion

his feet were as the feet of a bear

was like unto a leopard

The above Key Understanding that the Beast out of the Sea in Revelation 13:1-2 represents a final form, or final extension, of the Roman Empire – in comparison to the Roman Empire of Daniel 7:7, which represents the beginnings and most of the longevity of the Roman Empire – is not a new understanding. Those studying prophecy for centuries have put together the two passages of Daniel 7 and Revelation 13 to reach such a proper conclusion. However, there are much richer and deeper understandings concerning the Ten Horns than meet the eye. Let's continue to work toward them.

Depiction (below) of the Revelation 13:1-2 final form, or final extension, of the Roman Empire, attempting to show the beast being like a leopard, with the mouth of a lion, and the feet of a bear. The passage says that this beast out of the sea has seven heads, but because this beast is the same as the beast out of the pit in Revelation 17:8-11, which is "the eighth," and which also has seven heads, the proper representation is that this beast out of the sea likewise has seven heads – not six – in addition to its own, so to speak, because a major consideration is that the beast is a composite of the seven heads. It is "of the seven," Revelation 17:11.

Depiction of the Roman Empire of Daniel 7:7
