

#230 The Ten Horns of Revelation 13:1 – The December 15, 1791, Bill of Rights of the U.S. Constitution represents the fulfillment of the *Ten Horns* of the Revelation 13:1 Beast out of the Sea

The Daniel 7:8 ‘Little Horn’ Kingdom of America has *Ten Horns*, because it is the same kingdom as the Revelation 13:1 Beast out of the *Sea* that has *Ten Horns*, as well as the same kingdom as the Revelation 17:08 Beast out of the *Pit* that has *Ten Horns*.

Key Understanding: *The Bill of Rights* represents the ten horns of Revelation 13:1. The Bill of Rights, or the first Ten Amendments, of the U.S. Constitution is/are the fulfillment of the *Ten Horns* with *Ten Crowns* on the Revelation 13:1 Beast out of the Sea. The Bill of Rights, representing the crowning of American democracy, was chosen by and ordained by God to represent the *Crown Shift* from Autocracy to Democracy.

Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.

Again, the Bill of Rights – the first *Ten Amendments* – of the U.S. Constitution *completed* and *crowned* the process of the establishment of the democratic representative government of the United States. The *Autocracy* of Kings was being replaced by the representative *Democracy* of ‘We the People.’ **The Bill of Rights was (a) not only being crowned, but was (b) the crowning event in establishing ‘We the People’ as kings over their government.**
