

#234 The Ten Horns of Revelation 13:1 – The Crown Shift from King George III to George Washington, who refused to be King

King George III

Key Understanding: *The crown shift from King George III to George Washington. Obviously, the spirit of the ‘Bill of Rights’ Ten Horns Crown Shift seen in Revelation 13:1 is exemplified through the Crown Shift of America from King George III, who is the culprit in the Declaration of Independence, to George Washington, who refused to become a king, and instead would become the first president (on April 30, 1789).*

George Washington

Washington turns down being King. After the October 19, 1781, victory at Yorktown, in May 1782, Colonel Lewis Nicola of the Continental Army sent a document to General George Washington on behalf of his officers. It complained of injustices the army had suffered from Congress. It suggested that the army set up a monarchy in America with Washington as King. Washington replied that he read the idea “with abhorrence.” He ordered Nicola to “banish these thoughts from your mind.”

Revelation 12:3 (KJV) And there appeared another wonder in heaven; and behold A GREAT RED DRAGON, HAVING SEVEN HEADS AND TEN HORNS, and SEVEN CROWNS UPON HIS HEADS.

The Crowns are shifted from the Seven Heads of Autocracy in Revelation 12:3 to the Ten Horns of Democracy in Revelation 13:1.

Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.
