

#241 “Change Times” and Time Changes – The Daniel 7:25 “think to change times” through the December 15, 1791, Bill of Rights is confirmed by history’s October 4, 1582, Time Change

*Daniel 7:25 (KJV) And he shall speak great words against the most High, and shall wear out the saints of the most High, and **THINK TO CHANGE TIMES AND LAWS**: and they shall be given into his hand until a time and times and the dividing of time.*

The ‘Little Horn’ Antichrist Kingdom, which is also the Revelation 13:1 Beast out of the Sea with *Ten Horns*, thinks to “change times” through the Crown Shift to the Bill of Rights. It is counterfeiting – “changing the time” of – the Crown Shift from Satan to God, which in truth occurs at the Lord’s Second Coming. Basically, the Great Red Dragon, Satan, “changed the times” as if the millennial reign of the Lord was occurring through the reigning power of the harlot combination of ‘Christianity and Democracy,’ realized and symbolized through the Bill of Rights’ Ten Horns.

Key Understanding #1: The change to the Gregorian calendar. The world’s change in 1582 to what is known as the modern Gregorian calendar is a part of the prophecy attached to Daniel 7:25.

Key Understanding #2: The changing of times to the Bill of Rights is prophetically connected to the changing of times to the Gregorian Calendar. We will be seeing that the Daniel 7:25 “think to change times” through the December 15, 1791, Bill of Rights is confirmed by history’s October 4, 1582, Gregorian calendar “time change.”

Pope Gregory XIII

[It will take a few Unsealings to establish the Key Understanding directly *above*, so please be patient.]

The Gregorian calendar. The calendar that is used by most of the world today is called the *Gregorian* calendar. It is named after Roman Catholic Pope Gregory XIII, who established it in 1582 to correct the *Julian* calendar, which had been used by most of the world since it was put into effect in 46 B.C. The Gregorian calendar of 1582 represents the major “time change,” or calendar change, in the modern history of the world.

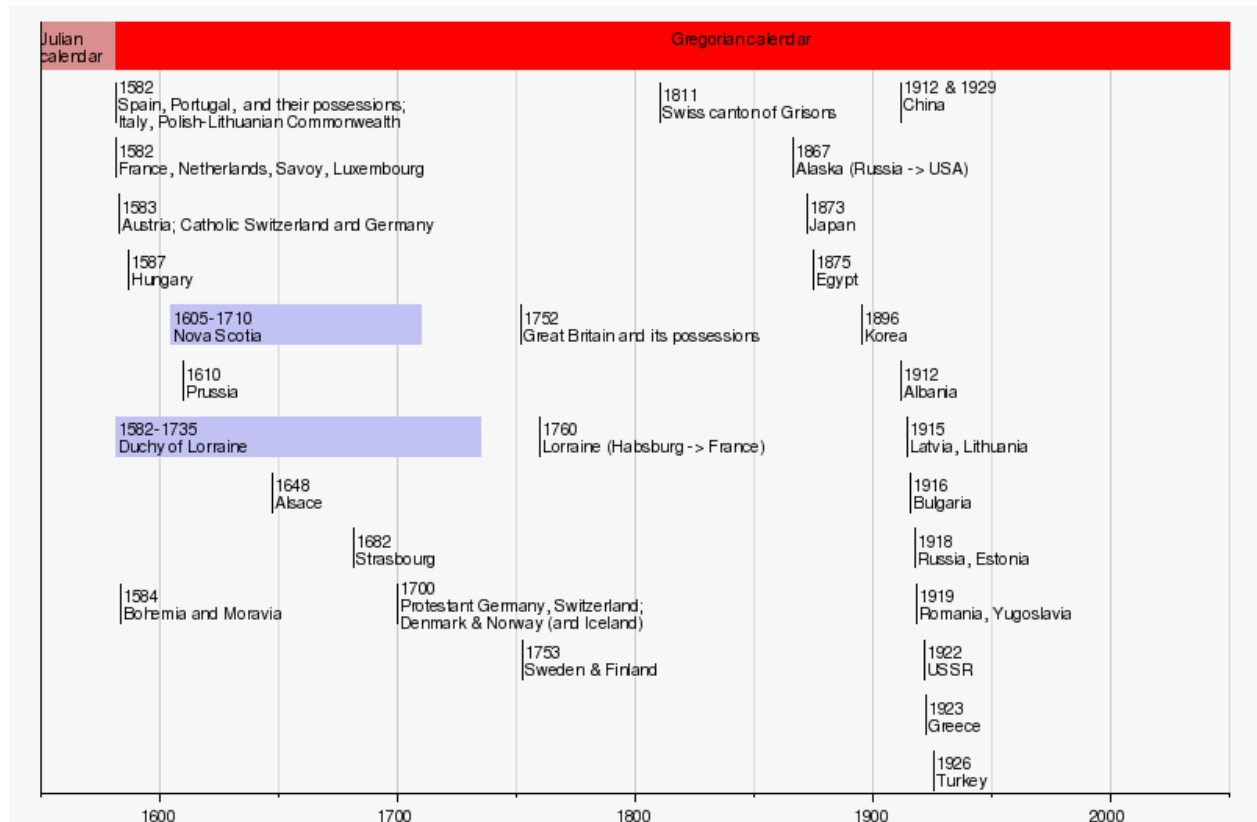

Detail of the tomb of Pope Gregory XIII celebrating the introduction of the Gregorian calendar

Here is #241–Doc 1, which explains the change from the Julian calendar to the Gregorian calendar in 1582.
