

#244 “Change Times” and Time Changes – The Daniel 7:25 “think to change times” through the December 15, 1791, Bill of Rights is confirmed by history’s October 4, 1582, “time change,” which occurred 209 years + 2 months + 11 days earlier

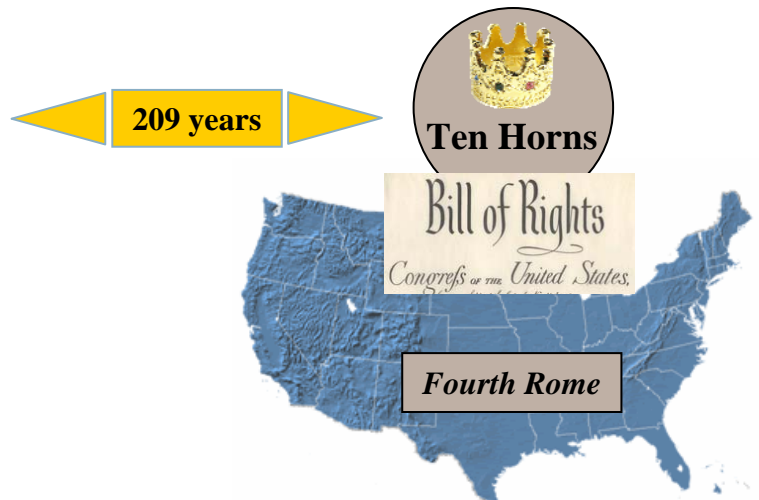

Daniel 7:25 (KJV) *And he shall speak great words against the most High, and shall wear out the saints of the most High, and **THINK TO CHANGE TIMES AND LAWS**: and they shall be given into his hand until a time and times and the dividing of time.*

The ‘Little Horn’ Antichrist Kingdom, which is also the Revelation 13:1 Beast out of the Sea with *Ten Horns*, thinks to “change times” through the Crown Shift to the Bill of Rights. It is *counterfeiting* – “changing the time” of – the Crown Shift from Satan to God, which in truth occurs at the Lord’s Second Coming. Basically, the Great Red Dragon, Satan, “changed the times” as if the millennial reign of the Lord was occurring through the reigning power of the harlot combination of ‘Christianity and Democracy,’ crowned and symbolized through the Bill of Rights’ *Ten Horns*.

Key Understanding: *209 years from the time change to the Bill of Rights. First, the number 209 is used by the Lord to denote a “double” or a “double portion of the spirit.”* [Reference Unsealing #159.] *Secondly, the Gregorian calendar “time change” of October 4, 1582, initiated (a) a 2-month change in the beginning of the year, and also (b) an 11-day date change when it came into use in Britain and the British colonies in 1752. Now let’s put the two together. October 4, 1582, was exactly 209 years + 2 months + 11 days before the December 15, 1791, Bill of Rights, which was a primary fulfillment of “think to change times” in Daniel 7:25. In fact, the Lord’s exact “time change” use of 2 months and 11 days to fulfill the prophecy is further evidence of the fulfillment of the prophecy.*

Detail of the tomb of Pope Gregory XIII celebrating the introduction of the Gregorian calendar

This is why it was mentioned earlier that the Daniel 7:25 “think to change times” through the December 15, 1791, Bill of Rights is confirmed by history’s “time change” to the

Gregorian calendar on October 4, 1582. The Lord tied together “*time change*” (October 4, 1582) and “*change times*” (December 15, 1791) to fulfill and reveal prophecy, appropriately using 209 years as a “*double portion of the spirit.*”

*2 Kings 2:09 (KJV) And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I pray thee, let **A DOUBLE PORTION OF THY SPIRIT** be upon me.*
