

#256 The Austrian Successor – The Prophetic Theme of the War of the Austrian Succession

We are now making a minor transition from Double Wars ended the Seven Years' War to The Austrian Successor.

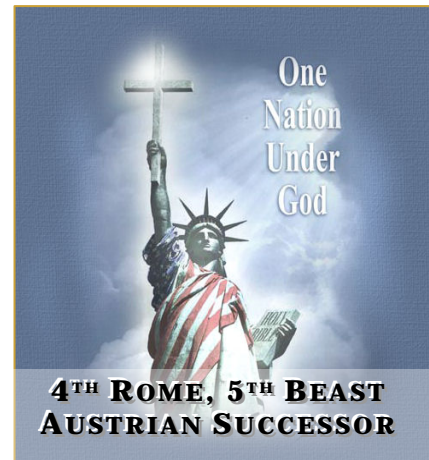

In the Unsealing following this, we will be explaining what is meant *in the natural (historically)* by the “War of the Austrian Succession.”

However, we will at this time explain the *prophetic reason* why the Lord not only ordained the occurrence of the War of the Austrian Succession, but also ordained the naming of it as such.

Key Understanding: *The prophetic theme of the War of the Austrian Succession. The Lord ordained the War of the Austrian Succession (1740-1748) to occur, and ordained it to be named as such, because its result would be the bringing forth of an Austrian Successor, meaning a Christian Roman Empire successor, to the Austrian-led Holy Roman Empire. The Austrian Successor would be the ‘Little Horn’ Fourth Rome (or Fifth Beast), the United States of America.*

The prophetic Austrian Successor to Maria Theresa's Holy Roman Empire would be the 'Little Horn' Fourth Rome (or Fifth Beast), the United States of America

However, it would be America – not France – that was birthed to fulfill prophecy as the Austrian Successor.

Remember, the Seven Years' War was a *continuation* of the War of the Austrian Succession. The War of the Austrian Succession was aptly named, for it was the War of the Austrian Succession and its *continuation* through the Seven Years' War that produced the Ten Horns of Daniel 7:7, **out of which came the Austrian Successor**, the Daniel 7:8 'Little Horn' with its Revelation 13:1 'Bill of Rights' Ten Horns.

Daniel 7:7 (KJV) *After this I saw in the night visions, and BEHOLD A FOURTH BEAST [the Roman Empire, which came up from the sea], dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and IT*

HAD TEN HORNS [fulfilled in the French and Indian War (1754-1763)/Seven Years' War (1756-1763), which ended with the Treaty of Hubertusburg on February 15, 1763, 29 years *less 2 months* before the December 15, 1791, Bill of Rights].

Then the Austrian Successor arose out of the War of the Austrian Succession and its *continuation*, the Seven Years' War . . .

Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 'Little Horn' Fourth Rome, and Austrian Successor] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy. [The Ten Horns with Ten Crowns are fulfilled through the Bill of Rights of December 15, 1791, 29 years *less 2 months* after the February 15, 1763, Treaty of Hubertusburg ended the Seven Years' War.]
