

**#259 The Austrian Successor – America was the Austrian Successor at its Revolutionary War First Ascension birth, and the Austrian Successor at its World War I Second Ascension**

Austrian Empress  
Maria Theresa

(1) **The United States was the Austrian Successor at its Revolutionary War birth,** arising out of and after the War of the Austrian Succession and its *continuation*, the Seven Years' War.

In Unsealing [#256](#) we saw that the United States of America, when fulfilling its destiny through the Revolutionary War as the Daniel 7:8 'Little Horn' Fourth Rome, was also becoming the *Christian Roman Empire* 'Austrian Successor.'

George Washington

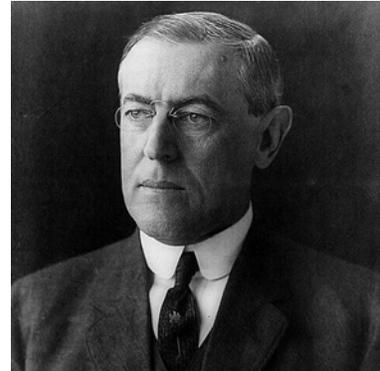

***Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn 'Fourth Rome', and Austrian Successor] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.*** [The Ten Horns with Ten Crowns are fulfilled through the Bill of Rights of December 15, 1791, 29 years *less 2 months* after the February 15, 1763, Treaty of Hubertusburg ended the Seven Years' War.]

Austrian Archduke  
Franz Ferdinand

(2) **The United States was again the Austrian Successor at its World War I Second Ascension.**

World War I was triggered by the June 28, 1914, assassination in Sarajevo of the Austrian Archduke Franz Ferdinand, heir-presumptive to the throne of the Austrian-Hungarian Empire. Franz Ferdinand was Prince Imperial of Austria, and Prince Royal of Hungary and Bohemia. His assassin was a Bosnian Serb, Gavrilo Princip, whose name

happens to mean Prince. Princip was committed to the independence of the Southern Slavic people (Yugo Slavs) from the Austrian-Hungarian Empire. A month later Austria would declare war on Serbia, beginning World War I.

**Key Understanding: *Two ascensions of the Austrian Successor.* As a result of World War I, the great Habsburg Austrian Empire that had ruled the Holy Roman Empire for centuries would suddenly meet its death, *just as its prince met his death.* One of the Lord's primary purposes for World War I was to provide a second, or *double*, revealing of the Austrian Successor, by bringing death to what for centuries had been the Austrian seat of the Daniel**

**2:40 ‘Legs of Iron’ Holy Roman Empire, and *shifting world power* to the United States, the Double Fourth Romes (as world history was traveling from the Daniel 2:40 ‘Legs of Iron’ to the Daniel 2:41-43 ‘Feet and Toes’).**

**It was the June 28, 1914, assassination of the Prince of Austria-Hungary that would bring America to its World War I *Second Ascension* as the Austrian Successor, to “Make the World Safe for Democracy.” America as the Austrian Successor represents the Crown Shift from Autocracy to Democracy.**

**This also answers the enormous question as to why the Lord ordained World War I to begin as it did, with the assassination of the Prince of Austria. The result of the war was to bring forth the *Second Ascension* of the Austrian Successor.**
