

## #261 The Austrian Successor – The Russian Successor and the Austrian Successor

**America is the Russian Successor and the Austrian Successor.**

To see what is meant by that, let's review the Key Understanding of Unsealing [#169](#).

**Key Understanding** (of Unsealing [#169](#)): *The Fourth Christian Roman Empire of its day.* The three former Holy Alliance Christian Empires – Prussian Germany, Austria, and Russia – each supposedly representing the true faith of Jesus Christ, passed away due to the events of World War I. The United States, which was already inheriting the position as the *Fourth Rome* because of the passing away of *one* of those empires – the Romanov Russian Empire – was now also fully and additionally inheriting the demonically anointed *Christian Empire* mantle of the other *two*, only this time *in the name of Democracy, not the Autocracy* of Prussia, Austria, and Russia. Thus, the United States was becoming a *Fourth Christian Roman Empire of its day*, becoming the sole falsely anointed replacement for the *Three Christian Roman Empires* (the former Holy Alliance members) of Germany, Austria, and Russia. [Yes, a transfer of anointing from Russia to America occurred in two different manners.]

With our review of the above, it is easy to see why the Lord constructed the prophetic theme of the Austrian Successor.

Russian Tsar Nicholas II,  
executed during World War I

Austrian Archduke Ferdinand,  
assassinated to spark World War I

**Key Understanding:** *The Russian successor and the Austrian successor.* We now see the United States as (a) the Russian Successor, that is, the 'Fourth Rome' Christian Empire Successor of the 'Third Rome' Russian Orthodox Empire, and (b) the Austrian Successor, that is, the successor to Austria as the seat of a demonically-anointed 'One Nation Under God' Holy Christian Empire of the West.

**America is the Russian Successor and the Austrian Successor. There were no more Roman Christian Empires on the earth to supposedly represent God, except America.**

The verse below is more oriented to the Revolutionary War ascension of America as the Austrian Successor. The entire picture must be seen together.

***Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn 'Fourth Rome', and Austrian Successor] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.*** [The Ten Horns with Ten Crowns are fulfilled through the Bill of Rights of December 15, 1791, 29 years *less 2 months* after the February 15, 1763, Treaty of Hubertusburg ended the Seven Years' War.]
