

#267 The England-Netherlands Pit – The combination of *England-Netherlands*: representing the Underworld and the Abyss

The Lord ordained that the Netherlands' prophetic role would be illustrated through its name.

William Pitt the Elder, 1708-1778

***England-Netherlands*. Where the Netherlands takes its severe place in prophecy is alongside and often in combination with England, as a part of the rise of America as the Revelation 17:08 Beast out of the Pit.** The Revelation 17:08 Beast out of the Pit refers to the abyss in the pure *spiritual*, but is also describing the *historical* event of the ascension of America following William Pitt's and Britain's victories in the Seven Years' War. As was stated in Unsealing #1, there is no man more responsible for the circumstances of England defeating France for the possession of North America, from which America could then arise, than a man named Pitt. The Lord ordained that America's ascension out of Pitt's England would be integrally associated with Pitt, who was born in 1708, for the purpose of verifying and clarifying that America is the Beast in Revelation 17:08 that is arising out of the pit.

However, we will now add the further understanding that . . .

Key Understanding: *America out of England-Netherlands*. America is the Beast out of the Revelation 17:08 Pit of the *spiritual* abyss of a combination of *England-Netherlands*. The Lord ordained the Netherlands, representing the netherworld, as a part of the picture of the rise of America, to clarify and verify that America's founding was not on doctrines from heaven, but on doctrines of demons, representing hell, the netherworld. [This makes sense because America, following the kingdoms seen in Daniel 7, arose "out of the sea" and "out of the earth," just as those previous kingdoms and empires had arisen.]

Revelation 17:08 (KJV) THE BEAST that thou sawest was, and is not; and SHALL ASCEND OUT OF THE BOTTOMLESS PIT [ascend out of the combination of *England-Netherlands* in the natural and historical, but also ascend out of the closely-related spiritual abyss of

England-Netherlands] and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.
