We have not yet covered Daniel chapter 8. Nonetheless, at this time we must go to one particular verse, Daniel 8:25, to understand what many correctly point to as showing that the Antichrist-Beast/Antichrist-Beast’s Kingdom will – in the last days – “by *peace* . . . *destroy many*.”

*Daniel 8:25 (KJV) And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and **BY PEACE SHALL DESTROY MANY**: he shall also stand up against the Prince of princes; but he shall be broken without hand.*

Key Understanding: *Peace through democracy.* The *peace* by which the Antichrist-Beast and the Antichrist-Beast’s Kingdom *spiritually* destroy many in the last days is the peace of “Peace through Democracy.”

Let’s review the basics of President Woodrow Wilson’s doctrine in his War Message of April 2, 1917.

“A steadfast concert for PEACE,” the President said, **“can never be maintained except by a partnership of democratic nations.”** No autocratic government could be trusted to keep faith within it or observe its covenants.”

“We are glad,” Wilson went on, **“to fight thus for the ultimate PEACE of the world”** and for the liberation of its peoples, the German peoples included: for the rights of nations great and small and the privilege of men everywhere to choose their way of life and obedience. **The world must be made safe for democracy. Its PEACE must be planted upon the tested foundations of political liberty.**”

“But the right is more precious than peace, and we shall fight for the things which we have always carried nearest our hearts – **for democracy, for the right of those who submit to**

authority to have a voice in their own governments, for the rights and liberties of small nations, for a universal dominion of right by such a concert of free peoples as shall bring PEACE AND SAFETY to all nations and make the world itself at last free.”

Obviously, Woodrow Wilson’s doctrine – and the doctrine of the United States – was the establishment of “World Peace through Democracy.” It is an antichrist doctrine.

Very Important Point: The basis of the political theory of “peace through democracy” is that democracies do not war against one another.
