

## #318 The Deadly Wound of the Beast – The 7th Head’s Deadly Wound Healed through the Beast’s Democracy

We will start with our understanding of the Healing of the Deadly Wound with the understanding that it is the 7<sup>th</sup> Head – meaning the 7<sup>th</sup> Kingdom – that is being healed in Revelation 13:3, so that the verse in its fulfillment, with Germany as the 7<sup>th</sup> Head, looks like this:

***Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7<sup>th</sup> Head (Kingdom), Germany] AS IT WERE WOUNDED TO DEATH; AND HIS [the 7<sup>th</sup> Kingdom’s] DEADLY WOUND WAS HEALED; and all the world wondered after **THE BEAST** [the 8<sup>th</sup> Kingdom].***

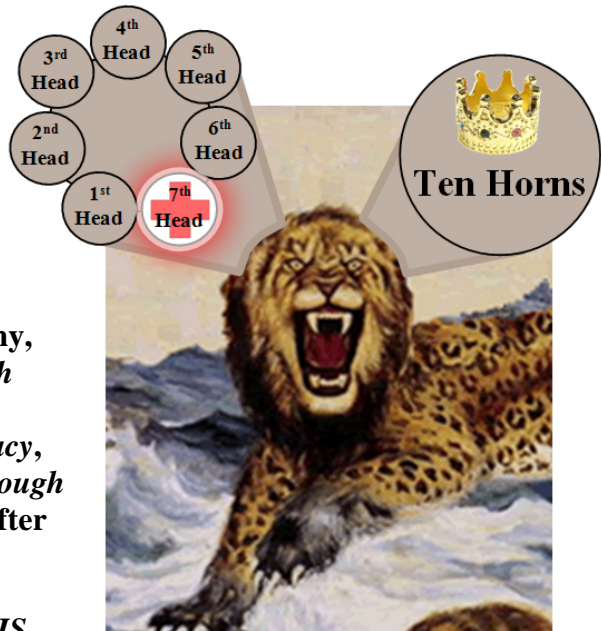

**Key Understanding: The 7<sup>th</sup> Kingdom, Germany, was wounded to death, but then healed, through Democracy. The Beast both (a) wounded the 7<sup>th</sup> Head, Germany, through the Sword of Democracy, and then (b) healed the 7<sup>th</sup> Head, Germany, through Democracy, and for this, the world wondered after the Beast.**

***Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7<sup>th</sup> Head or Kingdom, Germany’s Third Reich] AS IT WERE WOUNDED TO DEATH [by the 8<sup>th</sup> Kingdom, the Beast]; AND HIS [the 7<sup>th</sup> Kingdom’s] DEADLY WOUND WAS HEALED [by the 8<sup>th</sup> Kingdom, the Beast, and its Democracy]: and all the world wondered after **THE BEAST** [the 8<sup>th</sup> Kingdom].***

[Note: About one-half of the world wondered after the Beast after the healing of one-half of Germany (West Germany) with Democracy. The one-half of the world that did not wonder after the Beast was the Communist world, of which the other one-half of Germany (East Germany) was a part. But after the Cold War defeat of the second 7<sup>th</sup> Kingdom, the USSR, all the world wondered after the Beast, the 8<sup>th</sup> Kingdom, the lone remaining superpower of the world.]

**The Pride of America in the healing of those it has conquered.** America has taken great pride in the fact that when it conquers its foes, its purpose is not to become a permanent occupying power, but instead – as in the cases of Japan and Germany after World War II – to transform the governments of its conquered foes into representative democracies, thereby ‘healing’ them.

U.S. President George W. Bush summarized it well when he said on February 26, 2003, at the neo-conservative think-tank American Enterprise Institute, that after World War II, “We did not leave behind occupying armies, we left constitutions and parliaments. In societies that once bred Fascism and militarism, liberty found a permanent home. There was a time many said that the cultures of Japan and Germany were incapable of sustaining democratic values. Well, they were wrong.”

**America healed Germany with democracy.** The Bundestag (“Federal Diet” or “Lower house of German parliament,” *above*) is the parliament of Germany. It was established with Germany's constitution of 1949 (the Grundgesetz). The Bundestag meets in the Reichstag Building (*below*).

**America healed Japan with democracy.** The National Diet Building (*below*) is the place in Tokyo where both houses of the legislature of Japan, the Diet, meet. The picture *above* is of U.S. President George W. Bush speaking to the Diet on February 19, 2002.
