

#337 The Deadly Wound of the Beast – The Pearl Harbor Deadly Wound to America linked with the Deadly Wound to the 7th Head, Germany

We concluded Unsealing #333 by saying that *AND HIS DEADLY WOUND WAS HEALED* referred to *both* the 7th Kingdom and the 8th Kingdom, the Beast, through *different* but *related* historical events, and if that were so then we could ask the questions . . . (a) what ‘deadly wound’ did America have, (b) did it relate to World War II and Germany, and (c) how was America healed?

We have answered the question (a) of what ‘deadly wound’ did America have by seeing that it was the December 7, 1941, Japanese attack on Pearl Harbor. Now we will answer the above question (b) of whether there was a historical/prophetic relationship between (i) the December 7, 1941, attack on Pearl Harbor, which was the deadly wound to America, the 8th Kingdom Beast, and (ii) the April 30 and May 7-8, 1945, deadly wound to the 7th Head (or Kingdom), Germany.

Learning the sequence of events directly following the December 7, 1941, attack on Pearl Harbor will help us to give more meat to the answer. The Japanese attacked Pearl Harbor on December 7, 1941. The United States and Britain declared war on Japan on December 8. Japan promptly declared war on the U.S. and Britain. **Germany and Italy, because of their alliance with Japan, then declared war on the United States on December 11**, although Hitler had previously sought to avoid such a war with America because he had invaded Russia in June of 1941 (Operation Barbarossa).

Key Understanding: *The Pearl Harbor deadly wound to America linked with the deadly wound to the 7th head, Germany. The December 7, 1941, Japanese attack on Pearl Harbor, which constituted the deadly wound to the 8th Kingdom, the Beast (America), caused Third Reich Germany to then declare war on America on December 11, 1941. America then defeated the Third Reich on May 7-8, 1945, fulfilling the giving of the deadly wound to the 7th Head. Thus we fully see that the deadly wound to the 7th Head, Germany, on May 7-8, 1945, is entirely related to the December 7, 1941, deadly wound to the 8th Kingdom, the Beast, America.*

The December 7, 1941, Japanese attack on Pearl Harbor constituted the deadly wound to the 8th kingdom, the Beast, America.

Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7th Head or Kingdom, Germany's Third Reich] **AS IT WERE WOUNDED TO DEATH** [by the 8th Kingdom, the Beast, partially reflected through Hitler's April 30, 1945, self-inflicted head wound, and fully fulfilled through the events of the German surrender on May 7-8, 1945]; **AND HIS** [the 8th Kingdom's, the Beast's] **DEADLY WOUND** [at Pearl Harbor, December 7, 1941] **WAS HEALED**; *and all the world wondered after THE BEAST* [the 8th Kingdom].

America defeated the Third Reich on May 7-8, 1945, fulfilling the giving of the deadly wound to the 7th head. This also was a part of the healing of the beast.
