

#338 The Deadly Wound of the Beast – The Deadly Wound to the Husband Head at Pearl Harbor, part 1, The Husband Head of the Navy

It does not seem as though the Beast itself actually has a head per se, outside of the 7 Heads, which in fact include the Double 7th Kingdoms that are *separate from and opposed to* the Beast, as is seen *below* in the case of Hitler's Third Reich.

Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7th Head or Kingdom, Germany's Third Reich] ***AS IT WERE WOUNDED TO DEATH*** [by the 8th Kingdom, the Beast, partially reflected through Hitler's April 30, 1945, self-inflicted head wound, and fully fulfilled through the events of the German surrender on May 7-8, 1945]; ***AND HIS*** [the 8th Kingdom's, the Beast's] ***DEADLY WOUND*** [at Pearl Harbor, December 7, 1941] ***WAS HEALED: and all the world wondered after THE BEAST*** [the 8th Kingdom].

Again, it does not seem as though the Beast itself actually has a head per se. However . . .

Key Understanding: *The Husband head of the Navy at Pearl Harbor.* Due to the overall theme of *head* in Revelation 13:3, the Lord designed that the deadly wound to the Beast itself involved a *head* – but in the form of a *husband* – Husband Kimmel.

Head and Husband. The words *head* and *husband* go together. The word *husband* is derived from the ancient Anglo-Saxon word *husbonda*, meaning *house-band*, or *one who bonds a household together*, or *master of the house*. Generally, the word *husband* is associated with the *head* of the house. In scripture, *husband* and *head* are prominent together (Genesis 3:16-17; 1 Corinthians 11:3; Ephesians 5:23).

The Beast's Husband Head of the Navy at Pearl Harbor. Further clarification and verification that the December 7, 1941, Japanese attack on Pearl Harbor fulfilled one of the deadly wounds to the 8th Kingdom, the Beast, comes in the form of the fact that the Commander-in-Chief of the Navy at Pearl Harbor was a man named Husband – Husband Kimmel. *Husband* was also the *Head of the Navy* itself at Pearl Harbor, a navy that received the terrible wound.

Pearl Harbor, December 7, 1941

Husband Kimmel, head of the U.S. Navy at Pearl Harbor when the U.S. received a head wound

Husband Kimmel. When one thinks of the devastation at Pearl Harbor, it is the U.S. Navy that comes to mind. In February 1941, Husband Kimmel became Commander-in-Chief, U.S. Pacific Fleet, with the temporary rank of Admiral, operating from Pearl Harbor.

He was ordained by the Lord to be in that position at the time of Pearl Harbor on December 7, 1941, to fulfill prophecy concerning the deadly wound to the Beast, a wound that would be deadly to the Beast's Husband Head of the U.S. Navy in the Pacific as well.
