

#339 The Deadly Wound of the Beast – The Deadly Wound to the Husband Head at Pearl Harbor, part 2, Killing Husband as Head of the U.S. Navy in the Pacific

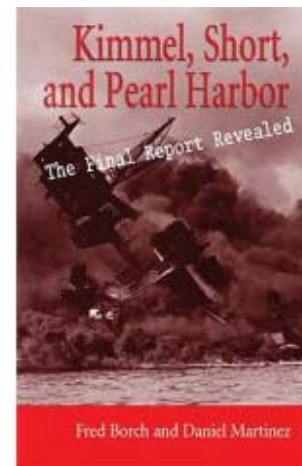

Husband Kimmel on the cover of *Time*, December 15, 1941

“Oh, what a doleful sight!” The morning of December 8 brought home the full horror of the previous day at Pearl Harbor. Husband Kimmel paced the floor of his office in distress. From time to time he walked to the window and looked out on the dismal scene in Pearl Harbor. “Oh what a doleful sight!” he repeated. “Oh, what a doleful sight!”

The Deadly Husband Wound at Pearl Harbor. The reputation and U.S. Navy career of Husband Kimmel was effectively ruined by the December 7, 1941, Japanese attack on Pearl Harbor. The American defeat immediately raised questions of responsibility. Kimmel was the obvious scapegoat for America’s unpreparedness. The Navy relieved Kimmel of his command in mid-December. He stayed in Hawaii until the Roberts Commission, the first of eight investigations on the Pearl Harbor attack, finished its work in January 1942. Kimmel was found guilty of ‘dereliction of duty.’ He retired in the first half of 1942, under pressure from the government. Although

threatened with a court-martial, it did not materialize. Subsequent investigations into the attack (after the Roberts Commission) found Husband Kimmel guilty of errors of judgment and not coordinating Army-Navy efforts to defend Hawaii.

Key Understanding: Though the Beast itself did not actually have a ‘head’ per se as concerns the Revelation 13:3 deadly wound, the Lord, several months prior to the attack on Pearl Harbor, moved *Husband Kimmel* into the role as *Head* of the U.S. Navy’s Pacific Fleet. The collapse of *Husband’s* career as *Head* of the U.S. Pacific Fleet because of the attack on Pearl Harbor served to symbolize the event as the deadly ‘head’ wound to the 8th Kingdom, the Beast.

*Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7th Head or Kingdom, Germany’s Third Reich] AS IT WERE WOUNDED TO DEATH [by the 8th Kingdom, the Beast, partially reflected through Hitler’s April 30, 1945, self-inflicted head wound, and fully fulfilled through the events of the German surrender on May 7-8, 1945]; AND HIS [the 8th Kingdom’s, the Beast’s] DEADLY WOUND [at Pearl Harbor, December 7, 1941, partially symbolized through the ruin of *Husband Kimmel*, *Head* of the U.S. Navy’s Pacific Fleet at Pearl Harbor] WAS HEALED: and all the world wondered after THE BEAST [the 8th Kingdom].*
