

#346 The Deadly Wound of the Beast – In the eyes of the Beast (the 8th Head of the Dragon), Japan was the Dragon Kingdom while the Beast itself was the Kingdom from Heaven

Yamata no Orochi

One of Japan's most prominent myths is about the slaying of Yamata no Orochi, a Dragon with Eight (8) Heads, with the story reaching a climax when the Dragon is ready to devour an 8th daughter. The Lord ordained such a myth-legend to be prominent in Japan, and somewhat tied to its very beginnings, because Japan's role in history and prophecy was to give a deadly wound to the Beast, the 8th Head of the Dragon.

Revelation 13:3 (KJV) And I SAW ONE OF HIS HEADS [the 7th Head or Kingdom, Germany's Third Reich] AS IT WERE WOUNDED TO DEATH [by the 8th Kingdom, the Beast, partially reflected through Hitler's April 30, 1945, self-inflicted

head wound, and fully fulfilled through the events of the German surrender on May 7-8, 1945]; AND HIS [the 8th Kingdom's, the Beast's, the Dragon's 8th Head's] DEADLY WOUND [at Pearl Harbor, December 7, 1941, partially symbolized through the ruin of *Husband* Kimmel, *Head* of the U.S. Navy's Pacific Fleet at Pearl Harbor] WAS HEALED [through the defeat of Germany, and then through the August 6th Hiroshima and August 9th Nagasaki atomic bombs defeat of Japan]: *and all the world wondered after THE BEAST [the 8th Head of the Dragon].*

Key Understanding: As a counterfeit, America slays the dragon with eight (8) heads. The primary reason why the Lord ordained a nation from the Orient to participate in the event of the wounding of the 8th Head of the Dragon is because the Orient is so closely associated with the dragon. So as a part of that, in the heart and eyes of the 8th Head of the Dragon, meaning the Beast, it was instead Japan that was the Dragon Kingdom, while the Beast – America – was a Kingdom from Heaven sent to slay the Dragon with Eight (8) Heads (with the Double 7th Heads of Third Reich Germany and the Soviet Union representing the 7th and 8th Heads, respectively; there will be more on that in Unsealing #364).

Imperial Oriental Dragon with a Pearl

In the end, of course, it is the Lord who conquers the Dragon and its 8th Head (Kingdom), the Beast.

The slaying of Yamata no Orochi
