

## #420 Ending the USSR to Build the Second Babel – The *Double Fantasy* Death of Lennon, part 2

This continues the story of the Lennon-Ono album *Double Fantasy* being a part of the history surrounding the December 8, 1980, murder of Lennon.

- Mark David Chapman waited several more hours after John Lennon had signed his copy of *Double Fantasy* and departed for the recording studio after 5 p.m. At 10:50 p.m., the Lennon's rented limousine pulled up in front of the Dakota. Yoko got out first, with John clutching a tape from their recording session in his hand. [Most sources mention one tape.] He was trailing a few steps behind. As he passed under the ornate archway leading to the building's interior courtyard, a voice called out from behind: "Mr. Lennon." John Lennon turned to see Mark David Chapman crouched in a combat stance less than twenty feet away. Five times his .38 fired at point-blank range, pumping four bullets into Lennon's back and shoulder. Lennon staggered up the five steps to the entrance office and fell flat on his face, gurgling and bringing up blood. Yoko screamed, "John's been shot! John's been shot!" Jay Hastings, the front desk clerk, grabbed the phone for the police. Chapman made no effort to run or to escape. He threw down his gun, took off his overcoat and folded it up at his feet – and calmly began to read his paperback. The police soon arrived. Chapman was asked if the clothing on the ground was his. He said yes. He said, "The red book is mine too." In the meantime, John Lennon was rushed by a patrol car to St. Luke's-Roosevelt Hospital. **He was pronounced dead at 11:07 p.m., December 8, 1980.**

The Lord ordained that *Double Fantasy* surround the December 8, 1980, end of John Lennon, because it is prophetically coupled with the December 8, 1991, "time of the end" of Lenin's Soviet Union. However there is more. It concerns the *fantasy* part of *Double Fantasy*.

**Key Understanding: *Double fantasies for peace.* The Lord ordained *Double Fantasy* to be connected to the Lennon-Lenin double to reflect "double fantasies" of how to bring peace to earth, referring to (a) John Lennon's version of how to "Give Peace a Chance" and create "One World, One People," tied to December 8, 1980, and (b) the United States' "World Peace through Democracy" version of "Give Peace a Chance" and "One World, One People," its success**

ted to the December 8, 1991, end of Lenin's Soviet Union. From the Lord's perspective, each was a fantasy as to how to bring peace to the earth.

***Matthew 10:34-39 (KJV) Think not that I am come to send peace on earth: I came not to send peace, but a sword.***

*35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.*

*36 And a man's foes shall be they of his own household.*

*37 He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me.*

*38 And he that taketh not his cross, and followeth after me, is not worthy of me.*

*39 He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.*
