

#436 George Washington to George H. W. Bush – The Husband Presidents, part 5, George Washington as Husband/Head on January 6, 1759, and Husband/Head on April 30, 1789

*1 Corinthians 11:3 (KJV) But I would have you know, that **THE HEAD OF EVERY MAN IS CHRIST**; and **THE HEAD OF THE WOMAN IS THE MAN**; and **THE HEAD OF CHRIST IS GOD**.*

*Ephesians 5:32 (KJV) This is a great mystery: but I speak concerning **CHRIST** [the husband/head] and **THE CHURCH** [the wife/body].*

As was stated in Unsealing [#434](#), the Lord’s ordaining of the *husband* theme’s strong association with U.S. Presidents *George Washington* and *George H. W. Bush* was not to point to their earthly marital relationships with their wives (Martha Washington and Barbara Bush), *but to reveal their spiritual/prophetic roles as husbands, and heads, of the “body of Americans.”*

Just as Jesus Christ is the *husband and head* of the 1 Peter 2:9 “holy nation” Church – the *body of Christ* – U.S. Presidents *George Washington* and *George H. W. Bush* were the *antichrist husbands and heads* of the ‘One Nation Under God’ *body of Americans* and the *Scarlet Beast’s Church*.

The specific “marriage dates” of *George Washington* and *George H. W. Bush* with the *body of Americans* would be their dates of inauguration. *Washington* was inaugurated on April 30, 1789, and *George H. W. Bush* was inaugurated on January 20, 1989. Our specific concentration is on *George Washington* in this Unsealing.

George Washington’s inauguration as the first President of the United States took place on April 30, 1789. The inauguration, held at Federal Hall in New York City, is portrayed in an oil painting by Ramon de Elorriaga from about 1899.

Key Understanding: *George Washington became the husband/head of the body of Americans on April 30, 1789.*

George Washington’s marriage to Martha Dandridge Custis was on January 6, 1759; George Washington became the first President of the United States, and simultaneously became *head of the body of Americans*, at his inauguration in New York City on April 30, 1789. It is important to see that each event represented George Washington beginning a marriage as a *husband/head*. Washington’s *head* relationship with the *body of Americans* that officially began with his inauguration on April 30, 1789, was the antithesis to the Lord Jesus Christ’s *head* relationship with the *body of Christ*.

Ephesians 5:32 (KJV) This is a great mystery: but I speak concerning CHRIST [the husband/head] and THE CHURCH [the wife/body].

[Note: We are leading up to the significance of *the relationship to one another* of these two separate husband/head marriage dates of George Washington, (1) January 6, 1759, to Martha Custis, and (2) April 30, 1789, to the body of Americans. A major prophetic event occurred exactly 186 “her double” years after each. We have already learned that George H. W. Bush was married exactly 186 years after George Washington’s January 6, 1759, marriage. As concerns Washington becoming the head of the body of Americans on April 30, 1789, the Vietnam War ended exactly 186 years later, on April 30, 1975. We will eventually explain how all of that fits.]
