

#488 The Genesis 19:24 Judgment on the USSR – The *seen* Rain of Ruin out of heaven upon Japan and the *abstract* Rain of Ruin out of heaven upon the Soviet Union

Comment [KM1]: This Unsealing is repeated in Unsealing #1517.

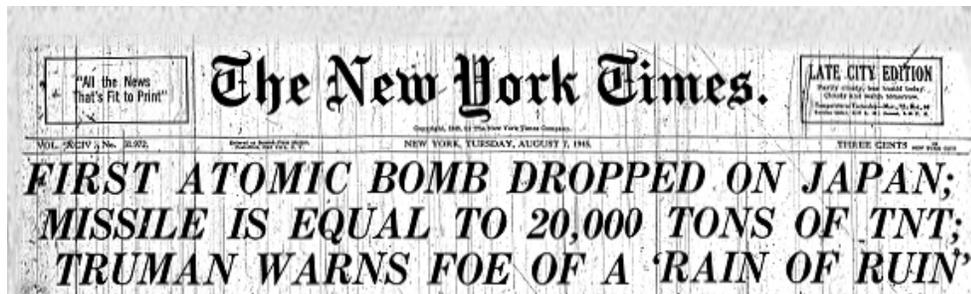

In Unsealings #368–#369, we addressed the Japan-USSR doubles in history and prophecy. In simplistic and *historical* terms, the defeat of Japan ended World War II. In *prophetic* terms, a part of the story was that the surrender of Japan – because it came after the surrender of 7th Head Germany – made Japan a *type* of 8th Head. Then, in the Cold War, the Soviet Union fulfilled its *false* role as the 8th Head *Scarlet Beast*, with America playing the role of the “One Nation Under God” Kingdom from Heaven that would blow away each of those (supposed) 8th Heads of the Dragon. With the combination of Japan-Soviet Union in mind, we can easily see the story of what can be called The *seen* Rain of Ruin “from the air” upon Japan (to end World War II) and the *abstract* Rain of Ruin out of heaven upon the Soviet Union (to end the Cold War).

We have been discussing the understanding of the Soviet Union’s participation in the prophetic role of Revelation 13:13 as a type of second Genesis 13:13 wicked Sodom, destroyed by the Lord at the Daniel 12:8-9 “*time of the end.*” While the demise of the Soviet Union was sovereignly ordained by the Lord and was indeed literal, its judgment was *abstract*, rather than being literal fire and brimstone from the Lord out of heaven.

Genesis 19:24 (KJV) THEN THE LORD RAINED UPON SODOM and upon Gomorrah BRIMSTONE AND FIRE FROM THE LORD OUT OF HEAVEN;

Key Understanding: Truman’s “rain of ruin from the air.” To further confirm that the *abstract* literal judgment of the Soviet Union was a Genesis 19:24 “rain out of heaven” judgment (that ended the Cold War), the Lord exacted just such a *concrete* literal “rain of ruin” judgment (that ended World War II) upon its double, Japan.

In his announcement to the world sixteen hours after the atomic bomb was dropped on Hiroshima, Japan, on August 6, 1945, President Harry Truman warned, “If they do not now accept our terms, they may expect a *rain of ruin from the air*, the like of which has never been seen on this earth.” The “rain of ruin” phrase used by Truman made newspaper headlines in the New York Times and around the world. On August 9, 1945, Nagasaki would experience the “rain of ruin” firestorm of the second atomic bomb.

As concerns the salient point of this Unsealing, Sodom was the recipient of a literal “rain of fire and brimstone out of heaven,” while Japan was the recipient of a literal “rain of ruin from the air.”
