

#489 Red Armies vs. White Armies – Many Shall Be Made Red

We are now making the transition from The Genesis 19:24 Judgment on the USSR to **Red Armies vs. White Armies**. Let's explain where we are. We recently began unsealing Daniel 12:8 and Daniel 12:9. Then our focus turned to Daniel 12:10.

Daniel 12:10 (KJV) MANY SHALL BE PURIFIED, and MADE WHITE, and TRIED; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.

In Daniel 12:10 and Many Shall Be Made White, we began with the emphasis on ***white***, but then shifted our focus to the ***tried*** part of the verse in Thomas Paine and God Trying Men's Souls, which in turn was elaborated on through Pikes Peak and America the Beautiful. [Next came The Unholy Concord and most recently The Genesis 19:24 Judgment on the USSR.] It worked well to study the ***tried*** part of the verse, because it took us back in time to the Revolutionary War; we could see the ***tried*** part of the verse extending from the 'Thomas Paine' Revolutionary War to the 'Thomas Paine (of NASA)' Cold War "*time of the end*" of the Soviet Union on December 8-10, 1991.

Now what we are going to do is once again focus on the ***white*** part of Daniel 12:10, referring to *many shall be made white*, by going back to the *beginning* of the Soviet Union, during and post-World War I. To gain our bearings, let's summarize the two themes of **Red and White at the "*time of the end*" of the Soviet Union** (which we have previously covered) and **Red and White at the *beginning* of the Soviet Union** (which we will now cover, beginning with this Unsealing).

Red and White at the "*time of the end*" of the Soviet Union. We have already discussed Red and White at the "*time of the end*" of the Soviet Union. That was the main point of Daniel 12:10. The December 8-10, 1991, end of the Soviet Union meant that those within the realm of the Soviet Union were no longer ***red*** through *Communism*, but ***white***, through *Democracy*. The Agreement on the Establishment of the Commonwealth of Independent States was signed in Belarus, or *White Russia*, on December 8, 1991. The acceptance of the same by the parliament of Belarus, or *White Russia*, occurred on December 10, 1991. These two happenings surrounding *White Russia* were prophetically indicative of not just White Russia, but all of Russia (and soon other former Soviet states), *becoming white*. In short, the Boris Yeltsin-led state of Russia itself was becoming *white* Russia, instead of being the anchor of the *Red* Soviet Union. [Reference Unsealing [#446](#) for this same discussion about when Red Russians were made White Russians.]

Red and White at the beginning of the Soviet Union. With all of the above in mind, let's now turn our attention to *the beginning* of the Soviet Union, and we will find that it was entirely inundated in the theme of **Red vs. White**, with the color **red** representing Bolshevik Communism and **white** representing its adversaries.

Key Understanding: Reds vs. whites. What we are referring to is the Russian Civil War between who were literally called the **Reds** and the **Whites** that occurred in the years 1918-1920. The Russian Civil War was won by the Lenin and Trotsky-led

Bolsheviks, enabling them to fully establish the Soviet Union. **Many were made Red.** (This is in contrast to when the USSR later fell, at the “*time of the end*” of Daniel 12:8-10, when “many were made *white*” who were previously *Red*.)

8, 1991, agreement to end the Soviet Union and create the Commonwealth of Independent States], **and TRIED** [in the counterfeit, referring back to Thomas Paine and *These are the times that TRY men’s souls*, also seen in Revelation 3:10 in the letter to the Church in Philadelphia]; **but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.**
