

#494 Red Armies vs. White Armies – The Time of the Finnish Whites, part 3, The Time of the Finnish foretold the Time of the End

Key years in Finnish history were 1917, 1918, and 1919.

- **1917, Independence** – Russia controlled Finland from 1809 to 1917. Due to the fall of Russian Tsar Nicholas II and the Russian Revolutions of 1917, the Finns declared their independence on December 6, 1917. Finland’s Independence Day is celebrated on December 6 and is the most noted national holiday in the land.
- **1918, Civil War** – Socialists (Red Guard) and non-Socialists (White Guard) fought a civil war from January 27, 1918, to May 15, 1918. The White Guard won.
- **1919, Republic** – Finland became a democratic republic.

The Finnish Civil War and the Russian Civil War. The December 6, 1917, Finnish Declaration of Independence led to the *Finnish* Civil War of the Red Guard vs. the White Guard from January 27, 1918, to May 15, 1918, which was entwined with the larger *Russian* Civil War of the Red Army vs. the White Army.

Actually, both the Red Guard and the White Guard in Finland desired independence for Finland from Russia. However, since the Red Guard was supported by Trotsky’s Red Army, what should be understood is that the victory of the Finnish Whites over the Finnish Reds in the Finnish Civil War delivered Finland fully out of Soviet Russian hegemony. The victory of the Finnish Whites in the Finnish Civil War would make Finland *white*, delivering the Finns out of the Soviet Russian orbit, which would swamp Belarus, Ukraine, and the other states, and which would make them *red*.

Key Understanding: *The “forerunner” fulfillment of “the time of the end.” “The Time of the Finnish Whites” that made Finland white occurred in conjunction with and attached to the Russian Civil War (1918-1920), when many were made red. This was at the beginning of the Soviet Union, and should be looked upon as an initial “forerunner” fulfillment of the passage of Daniel 12:8-10, which was substantially fulfilled at “the time of the end” of the Soviet Union. Thus, “The Time of the Finnish Whites” and their deliverance from the Bolshevik Reds at the beginning of the Soviet Union was foretelling “the time of the end” of the Red Soviet Union on December 8-10, 1991, when many would be made white.*

Daniel 12:8-9 (KJV) And I heard, but I understood not: then said I, O my Lord, WHAT SHALL BE THE END OF THESE THINGS? [The murder of John Lennon occurred on 12/8/1980, and the end of Soviet Leninism occurred 11 years later on 12/8/1991.]

9 And he said, Go thy way, Daniel: for the words are closed up and sealed till THE TIME OF THE END. [The December 9, 1991, “One Nation Under God” *Time* Magazine cover and story is a part of the revealing of Daniel 12:9.]

Daniel 12:10 (KJV) MANY SHALL BE PURIFIED, and MADE WHITE [in the counterfeit, White Russia’s parliament on December 10, 1991, approved the December 8, 1991, agreement to end the Soviet Union and create the Commonwealth of Independent States], ***and TRIED*** [in the counterfeit, referring back to Thomas Paine and *These are the times that TRY men’s souls*, also seen in Revelation 3:10 in the letter to the Church in Philadelphia]; ***but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.***
