

## **#509 The Rise of Michael the Archangel – Boris Yeltsin of Arkhangelskoye**

The December 8-10, 1991, “*time of the end*” of the Soviet Union, which was such a significant part of the fulfillment of Daniel 12:8-10, unfolded through a combination of actions taken by **Mikhail Gorbachev and Boris Yeltsin** (pictured left). The events were connected to Daniel 12:1, with its theme of Michael the Archangel. In the ideas of the heart of the Scarlet Beast United States and the Scarlet Beast’s Church, many who were *red* were being made *white*, and **Michael the Archangel** had literally won a (Cold War) victory over Satan.

Both **Mikhail Gorbachev** and **Boris Yeltsin** are tied to Michael the Archangel. **Mikhail Gorbachev** was essentially reflective of Michael the Archangel through the name *Michael*.

**Daniel 12:1 (NIV) AT THAT TIME MICHAEL** [the Archangel], *the great prince who protects your people, WILL ARISE. There will be a time of distress such as has not happened from the beginning of nations until then. But at that time your people—everyone whose name is found written in the book—will be delivered.*

**Boris Yeltsin** is linked to Michael the Archangel through his residing at the village of *Arkhangelskoye*, located 16 miles west of Moscow, which – in a story similar to that of Archangel, the city further north named after the nearby monastery of Michael the Archangel – takes its name from the stone Church of Archangel Michael built in 1667.

As the Soviet Union was waning in power and the Soviet states were marching toward independence, Boris Yeltsin was elected President of Russia on June 12, 1991, in the first democratic presidential elections in Russia’s history.

When the attempted coup of Mikhail Gorbachev by Soviet hardliners unfolded in August 1991, with Gorbachev being detained at his summer residence in Crimea upon the orders of coup plotters, **Boris Yeltsin rushed from his residence at Arkhangelskoye** to the heart of the action in Moscow. Coup leaders had ordered troops and tanks to surround the government building in Moscow called the White House, threatening a possible storming. Famously standing atop a tank and delivering a speech, Yeltsin called for public resistance. Swift action by President Yeltsin, the public response, and the indecisiveness of the junta

caused the coup’s failure. Democracy in Russia was saved. In a few months Boris Yeltsin and Russia would go forward to join with the Ukraine and Belarus in dismantling the Soviet Union on December 8-10, 1991.

**Key Understanding: *Boris Yeltsin and Michael the Archangel.*** Boris Yeltsin’s rushing from his residence at Arkhangelskoye (a ‘city of Michael the Archangel’) to Moscow to successfully thwart the attempted August overthrow of Mikhail Gorbachev and save the day for Democracy in Russia was the *earthly* manifestation reflecting the unfolding victory of Michael the Archangel in battle against demonic principalities and powers who were attempting to keep the Soviet Union from falling, and coming to its Daniel 12:8-10 “*time of the end.*” While the Lord’s angelic realm would have been involved in the passing of the Soviet Union, this did not occur for the reason that the angelic realm was “on the side” of the Scarlet Beast United States – as if the U.S. was, or ever had been, the Lord’s “One Nation Under God” upon the earth.
