

#551 The Reagan/Regan-Bush Habitation of Devils – The Bill of Rights as *The Exorcist* of evil

Revelation 13:1 (KJV) And I stood upon the sand of the sea[shore], and saw A [Daniel 7:8 Little Horn] BEAST RISE UP OUT OF THE SEA, HAVING SEVEN HEADS AND TEN HORNS, and UPON HIS [Ten] HORNS TEN CROWNS, and upon his heads the name of blasphemy.

The Bill of Rights. As was discussed in Unsealings #229–#230, the advent of the Bill of Rights represented not only the shift from the crowning of Kings to the *crowning* of We the People, but also happened to be *the crowning* (culminating) *event* in the establishment of the democratic representative government of the United States.

The Bill of Rights as *The Exorcist* of evil and “habitations of devils.” In the hearts of those of the Scarlet Beast’s Church, the Crown Shift from Autocratic Kings to the ‘Ten Horns’ Bill of Rights represented a shift from Satan ruling over governments of the world to the Lord ruling over the governments of the world. In the hearts of those of the Scarlet Beast’s Church, victories for the Bill of Rights have represented “good” overcoming the “evil” of Tyrants, Kings, Autocracy, Fascism, Communism, and Dictatorships. In that sense . . .

Tyrants
Kings
Autocracy
Fascism
Communism
Dictatorships

Key Understanding: *The Exorcist of evil.* America with its Bill of Rights was/is looked upon as *The Exorcist* of “habitations of devils” and the evil of Tyrants, Kings, Autocracy, Fascism, Communism, and Dictatorships, which included, of course, the Soviet Union and Saddam Hussein-led Iraq.

THE EXORCIST

James Madison’s
Bill of Rights
is looked upon as
The Exorcist of evil.

In truth, the victories for America, the Bill of Rights, and Democracy over the last two centuries essentially represent “evil” overcoming “evil”, not “good” overcoming “evil”. More specifically, the Cold War during the Reagan-Bush years represented a United States that was a “*habitation of devils*” vs. the Soviet Union as a “habitation of devils.” The U.S. ‘evil against evil’ defeat of the USSR would then bring the United States – Babylon the Great – to lead the United Nations against Ouja-birther Saddam Hussein’s Iraq in the land of Old Babylon. It was “evil against evil.”
