

#552 The Reagan/Regan-Bush Habitation of Devils – 182 years from *The Exorcist* Bill of Rights to *The Exorcist* of Revelation 18:2

The movie *The Exorcist* was released on December 26, 1973.

From *The Exorcist* Bill of Rights to *The Exorcist* of Revelation 18:2. There were 182 years + 11 days [so here we see the 11-day date change once more] between the December 15, 1791, birth of the Bill of Rights and the December 26, 1973, release of *The Exorcist*.

Key Understanding: There were 182 years (+ 11 days) between the December 15, 1791, birth of *The Exorcist* Bill of Rights and the December 26, 1973, release of *The Exorcist* – in which Regan is demon-possessed – to show that the United States with its ‘Ten Horns’ Bill of Rights, while playing the role of *The Exorcist* in the eyes of the Scarlet Beast’s Church, is actually the “*habitation of devils*” as described in Revelation 18:2.

Revelation 18:1-2 (KJV) And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.
2 And he cried mightily with a strong voice, saying, **BABYLON THE GREAT IS FALLEN, IS FALLEN, AND IS BECOME THE HABITATION OF DEVILS,** and the hold of every foul spirit, and a cage of every unclean and hateful bird.
