

#556 The Reagan/Regan-Bush Habitation of Devils – *The Truman Exorcist's* ‘White House’ Blair House

In the previous Unsealing, we connected *The* (World War II and Japan) *Truman Exorcist* with *The* (Cold War and Soviet Union) *Reagan Exorcist*. We are now adding to that understanding by seeing that Reagan and Truman are connected once more through *Blair*.

Blair and Reagan. Actress **Linda Blair** played the role of Pazuzu-possessed **Regan** in *The Exorcist*.

Blair and Truman. What is known as the *Blair House* is across the street from the White House in Washington D.C. Harry **Truman** lived in the **Blair House** throughout almost half of his presidency, while the White House was being renovated and enlarged to 132 rooms, to fulfill Revelation 13:2. The Blair House became the temporary White House.

The Blair House. The Blair House is across the street from the White House. The Blair House was built around 1824 by Dr. Joseph Lovell, the first surgeon general of the United States. The house was purchased by Francis Preston Blair, who had moved to Washington D.C. to be editor of *The Globe*, a pro-Andrew Jackson newspaper. The Blair House was eventually purchased by the U.S. Government in October 1942 during the course of World War II as the President’s guest house for visiting foreign dignitaries.

The Blair House in 1951

In February 1948, President Truman called in a committee of architects and engineers, including Lorenzo S. Winslow, the official White House architect, and asked for a quick examination of the house. Their discoveries of structural weaknesses and serious fire hazards

made it clear that a more thorough examination of the building would be needed. A subsequent committee’s findings were appalling. The condition of the White House was found to be so hazardous that it had to be evacuated immediately. The Trumans moved into the government-owned Blair House. The renovation of the White House became a giant reconstruction project. The Blair House temporarily became the nation’s White House.

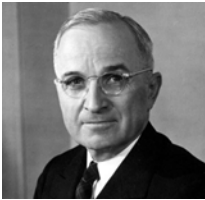

Blair House, adjacent to Lafayette Park, serves today as a guest house for state visitors to Washington D.C.

Key Understandings: Linda Blair played Regan in *The Exorcist*.

Ronald Reagan was *The Exorcist* of the Soviet Union in the Cold War. Through Regan (Linda Blair, *right*) in *The Exorcist*, we have seen that Ronald Reagan actually represented the United States as being a Revelation 18:2 “*habitation of devils.*”

Harry Truman was *The Exorcist* of Japan in World War II, fulfilling Revelation 13:2, as Satan gave the Beast its power, seat, and authority. Through the Blair House (*right*) and the enlarged 132-room White House, also fulfilling Revelation 13:2, we can see that

Harry Truman represented the United States as being a Revelation 18:2 “*habitation of devils.*”

The Blair House when Harry Truman lived there

Revelation 18:1-2 (KJV) And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

*2 And he cried mightily with a strong voice, saying, **BABYLON THE GREAT IS FALLEN, IS FALLEN, AND IS BECOME THE HABITATION OF DEVILS,** and the hold of every foul spirit, and a cage of every unclean and hateful bird.*
