

#567 The Reagan/Regan-Bush Habitation of Devils – John Blair, Jr., and the U.S. Bill of Rights

The subject matter is still **Blair**, which we have now learned is tied to the **Civil War** (the **Blair** House offer to Lee), **World War II** (the post-World War II ‘White House’ **Blair** House of Harry Truman), the **Cold War** (**Blair** through Regan in *The Exorcist*), and the **Iraq War** (the Bush-**Blair Exorcists**).

Revelation 18:1-2 (KJV) And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

*2 And he cried mightily with a strong voice, saying, **BABYLON THE GREAT IS FALLEN, IS FALLEN, AND IS BECOME THE [Blair] HABITATION OF DEVILS,** and the hold of every foul spirit, and a cage of every unclean and hateful bird.*

Blair and the Bill of Rights. The Key Understanding of Unsealing [#552 The Reagan/Regan-Bush Habitation of Devils](#) – 182 years from *The Exorcist* Bill of Rights to *The Exorcist* of Revelation 18:2 was that the 182 years (+ 11 days) between the December 15, 1791, Bill of Rights and the December 26, 1973, release of *The Exorcist*, were to show that the United States with its ‘Ten Horns’ Bill of Rights, while playing the role of *The Exorcist* in the eyes of the Scarlet Beast’s Church, is actually the “*habitation of devils*” in Revelation 18:2.

Question: Since we see Blair – through Linda Blair playing the part of Regan in *The Exorcist* – attached to the *end* of the 182 years after the December 15, 1791, Bill of Rights, is there a Blair attached to the *beginning* of the 182 years, meaning, is there a Blair attached to the Bill of Rights?

Key Understanding and Answer: *The Blair with the Bill of Rights.* James Madison, often called the Father of the U.S. Constitution, is also the man who led the adoption of the Bill of Rights of the U.S. Constitution. James Madison was one of two signers of the U.S. Constitution for Virginia on September 17, 1787. The other signer for Virginia was John Blair (Jr.). The answer, then, is *yes*, the Lord did attach a Blair to the Bill of Rights. Thus, there are *Blair* bookends on either side of the 182 years that stretch from the Bill of Rights to *The Exorcist*.

John Blair, Jr., (*right*) was the son of John Blair, Sr., who was twice named the acting governor of colonial Virginia. The John Blair House is located in Colonial Williamsburg, Virginia. John Blair, Jr., went on to become one of the justices of the first U.S. Supreme Court.

[Note: George Washington, also from Virginia, signed the U.S. Constitution as President of the Constitutional Convention and deputy from Virginia. Some lists include Washington as a signer from Virginia. Other lists do not, naming just the pair of Blair and Madison.]

What is *below* was first presented in Unsealing #552. Now **John Blair, Jr.**, is added to James Madison in the depiction of **The Exorcist Bill of Rights**, which occurred 182 years, pointing to Revelation 18:2, before the release of *The Exorcist*, starring Linda Blair.
