

## **#571 Ornan's Threshingfloor – Solomon built the House of the Lord at Ornan's Threshingfloor**

We are moving from The Reagan/Regan-Bush Habitation of Devils to Ornan's Threshingfloor.

*Threshingfloor* – a *threshingfloor* was generally a large flat surface prepared for the threshing of grain. *Threshing* consists of removing the kernel of grain from its stalk, separating the seed from the chaff (seed coverings and other debris). In scripture, separating *wheat* from *chaff* through threshing is a picture of separating what is good from what is worthless.

**Question:** Why was the House of God, Solomon's Temple, constructed at the site of Ornan's threshingfloor?

A threshing floor

**Key Understanding and Purpose:** *The House of the Lord was built at Ornan's threshingfloor.* This series is about the Lord ordaining that the House of the Lord, the Temple of Solomon, be built at the site of Ornan's threshingfloor for the purpose of . . . emphasizing that the spirit of Men of War of the Sword is in opposition to the Cross, and in opposition to the building of the true House of God – the true Church, the true Body of Christ – in New Testament times.

**David was not allowed to build the House of God (the Temple) because he was a Man of War.**

***1 Chronicles 28:3 (KJV) But God said unto me [King David], THOU SHALT NOT BUILD AN HOUSE FOR MY NAME, BECAUSE THOU HAST BEEN A MAN OF WAR, AND HAST SHED BLOOD.***

**Solomon, the son of David, built the House of God (the Temple) at the site of Ornan's threshingfloor.**

***2 Chronicles 3:1-2 (KJV) Then SOLOMON BEGAN TO BUILD THE HOUSE OF THE LORD AT JERUSALEM IN MOUNT MORIAH, where the LORD appeared unto David his father, IN THE PLACE THAT DAVID HAD PREPARED IN THE THRESHINGFLOOR OF ORNAN THE JEBUSITE.***

***2 And he began to build in the second day of the second month, in the fourth year of his reign.***

The Temple Mount, seen here as it appears today, was the site of Ornan's threshingfloor

In the next Unsealing, let's start at a beginning to the story.
