

#588 City on a Hill vs. Habitation of Devils – The Reagan City on a Hill vs. the Reagan “habitation of devils”

This new series **City on a Hill vs. Habitation of Devils** is an extension of the series The Reagan/Regan-Bush Habitation of Devils, which was followed by the previous series, Ornan’s Threshingfloor. Ornan’s Threshingfloor was needed to further understand why Men of War cannot build the House of God.

Reagan’s America as a Matthew 5:14 City on a Hill.

We discussed Ronald Reagan’s view of America as a City on a Hill [reference Unsealing #393] at the time when we were learning about the philosophies of the Enlightenment – which are contained in the Declaration of Independence of the United States – masquerading as the “Light of the World.” In the hearts of those of the Scarlet Beast/Scarlet Beast’s Church, America is the Light of the World. In the eyes of Ronald Reagan, America was also a City on a Hill.

Matthew 5:14 (KJV) YE ARE THE LIGHT OF THE WORLD. A CITY THAT IS SET ON AN HILL cannot be hid.

In short, the earthly nation “Body of Americans” is a *counterfeit* of (a) the Light of the World and (b) a City on a Hill, both of which are descriptions of the heavenly kingdom Body of Christ.

Reagan’s America as the Revelation 18:2 “habitation of devils.” The recent series titled The Reagan/Regan-Bush Habitation of Devils spanning Unsealings #545–#570 extensively outlined the understanding about Reagan’s America and the fulfillment of the Revelation 18:2 “habitation of devils.”

Key Understanding: City on a hill vs. “habitation of devils.” Thus, through Ronald Reagan we have the contrast of America as a Matthew 5:14 City on a Hill (which was Reagan’s viewpoint, and false) vs. America as a Revelation 18:2 ‘Regan’ “habitation of devils” (which is the Lord’s viewpoint, and true).

Next, we need to look at the city of Boston, Massachusetts, in that same comparison.
