

#589 City on a Hill vs. Habitation of Devils – Boston, City on a Hill, vs. Boston, “habitation of devils”

Boston, Massachusetts (*above*) had its beginnings as a city upon a hill

City on a Hill. When Ronald Reagan referred to America as a City on a Hill, he was referencing John Winthrop’s famous ‘City Upon a Hill’ speech reputedly given aboard the flagship *Arbella* of the Winthrop fleet of eleven ships and 700 people during the great Puritan migration from April through the early summer of 1630. [Research indicates the speech may have actually been delivered in England prior to their departure.] Winthrop surmised that the Massachusetts Bay Colony that they were founding would become a “city upon a hill,” watched by the world.

The Puritans landed at previously established Salem, Massachusetts, but many soon migrated a short distance to found Boston in the later months of 1630. Earlier the area had been called *Trimountaine*, for the original Boston was situated upon three hills, but it was renamed *Boston* for the town of Boston, (county of) Lincolnshire, England, from which a number of the Puritans emigrated.

Boston, City on a Hill.

Boston has been given the nickname *The City on a Hill* because of its Puritan beginnings, though that nickname has been far overshadowed by *The Cradle of Liberty*, referring to Boston’s role as the birthplace of the American Revolution in 1775.

Boston, England, habitation of demons.

Boston, Massachusetts, had its founding and roots tied to Boston, (county of) Lincolnshire, England. The Lord ordained that, in turn, Boston, (county of) Lincolnshire, England, would have its founding and roots tied very directly to a “habitation of demons.” That unusual story is next.

Here is **#589–Doc 1**, which shows **the location of Boston**, in the county of Lincolnshire, England.

Key Understanding: Boston, Massachusetts, had its founding and roots in Boston, England. Boston, Massachusetts, in its founding as *The City on a Hill*, had its beginnings and roots tied to Boston, (county of) Lincolnshire, England, which, in turn, had its founding and roots entirely associated with a “habitation of demons.” The Lord designed the histories of Boston, (county of) Lincolnshire, England, and Boston, Massachusetts, U.S., to unfold in such a way as to show that America, instead of being a City on a Hill, is actually the “habitation of demons.”

Revelation 18:2 (KJV)
*And he cried mightily with a strong voice, saying, **BABYLON THE GREAT IS FALLEN, IS FALLEN, AND IS BECOME THE HABITATION OF DEVILS,** and the hold of every foul spirit, and a cage of every unclean and hateful bird.*
