

#611 Salem Rebellion, Salem Witchcraft – James Blair of Virginia casting out the Devil’s Edmund Andros, part 1, Reviewing James Blair

We first introduced the subject matter of the English Bill of Rights being connected with a “habitation of devils” in Unsealing [#568](#) The Reagan/Regan-Bush Habitation of Devils – James Blair and the English Bill of Rights. What is *below* is *all* from that Unsealing, and is a review, for the purpose of setting up the next Unsealing (which is James Blair casting out the devil’s Edmund Andros, part 2).

*Revelation 18:1-2 (KJV) And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.
2 And he cried mightily with a strong voice, saying, **BABYLON THE GREAT IS FALLEN, IS FALLEN, AND IS BECOME THE** [Blair] **HABITATION OF DEVILS**, and the hold of every foul spirit, and a cage of every unclean and hateful bird.*

John Blair, Jr., and the U.S. Bill of Rights. John Blair, Jr., is connected to the United States Constitution’s Bill of Rights, because he and James Madison, the man most responsible for the Bill of Rights, were the two signers for Virginia. [Reference Unsealing [#567](#).]

James Blair and the English Bill of Rights. John Blair, Jr.’s, uncle was James Blair, the founder and first president of the College of William and Mary at Williamsburg, Virginia, the second oldest institution of higher education in the United States. (Harvard University, founded in 1636, is the oldest.) The College of William and Mary was named after King William III and Queen Mary II, who were invited to invade England with Dutch forces to become rulers in 1689, promising to obey the terms of what was later called the English Bill of Rights.

In 1691, the Reverend James Blair, the commissary (or representative) of the Church of England in Virginia, was sent to London by the colonial General Assembly in Virginia to secure a charter for a college. He was successful. On February 8, 1693, King William III and Queen Mary II granted a charter which established the College of William and Mary. James Blair became its first president.

Key Understanding: *Blairs and the Bill of Rights*. The Lord ordained that Blairs in America would be connected to the theme of Bills of Rights, so as to confirm the entire theme of the Crown Shift, with America's 'Ten Horns' Bill of Rights serving as *The Exorcist* of political evil in the world.
