

## #742 The Phony War and the Forgotten War – The World War II Church-ill Phony War and the Korean War Battles for Seoul

There is much more to discuss concerning the 1950-1953 Korean War in prophecy. But that is reserved for a later time.

**Key Understanding:** The reason why the Korean War was introduced in this series is because we were prophetically pairing (a) the Church-ill Phony War phase of World War II with (b) the Korean War themes of the Forgotten War and the *battles for Seoul*.

Let's review the meanings of each to wrap up this short series.

### (a) The meaning of the Church-ill Phony War phase of World War II

The Lord's purpose for the Phony War theme and its attachment to May 10, 1940, was to confirm the spiritual/prophetic understanding in Daniel 7:21 of Winston Churchill making literal war with the [Church-ill] saints, but spiritually prevailing against them. [May 10 = 5:10 = 7:21, with the 2-month + 11-day date change.]

In the eyes of *God*, the 'real war' that began on May 10, 1940, with the invasion of Western Europe by Hitler was a spiritual war that was being lost by Church-ill saints – Christians who allowed themselves to be led by the mind, heart, and wisdom of Winston Churchill, instead of Jesus Christ.

In the eyes of *men*, the May 10, 1940, beginning of the Hitler vs. Churchill war was the end of the Phony War and the beginning of the 'real war.' In the eyes of *God*, the May 10, 1940, beginning of the Hitler vs. Churchill war was a continuation of the Phony War that was masking the nature of the true spiritual war and the battle for souls.

**Daniel 7:21 (KJV) I beheld, and THE SAME HORN [the Daniel 7:8 Little Horn Nation of America] MADE WAR WITH THE [Church-ill] SAINTS, and PREVAILED AGAINST THEM;**

**(b) The Korean War themes of the Forgotten War and battles for Seoul**

The *Forgotten War* – the Lord ordained the major events of the Korean War to include the *battles for Seoul*, and then for the Korean War to be called the *Forgotten War*, to point to the

understanding that the Cold War battles between East and West, which included the Korean War, caused the genuine spiritual battles and war for souls to be *forgotten*, and the true nature of the spiritual battles and war for souls to be *forgotten*.

The *battles for Seoul* were the focus of the world

and the Church-ill, as a counterfeit and a substitute – a replacement – for the true spiritual *battle for souls*.

**A burning Seoul.** A soldier watches Seoul, the capital of South Korea, burning. Seoul was captured and recaptured by both sides several times during the war.
