

#770 Constantine the Great and Woodrow Wilson, II – The Church with *The Spirit of '76*: Constantine and York and the spirit of Laodicea; Washington and Yorktown and the spirit of Laodicea

*Revelation 6:2 (KJV) And I saw, and behold A WHITE HORSE: and HE [Constantine the Great] THAT SAT ON HIM HAD A BOW; and A CROWN [of his father's (Constantius's) throne] WAS GIVEN UNTO HIM [at York]: and HE WENT FORTH CONQUERING, AND TO CONQUER. [Constantine sat on his earthly father's throne through the *Sword*. He conquered the entire Roman Empire and reigned on the earth in the name of the Heavenly Father.]*

Key Understanding: *Constantine and York; Washington and Yorktown*. While Constantine and the spirit of Laodicea were connected with York (England), George Washington and the spirit of '76, representing the Laodicean Church of Philadelphia, Pa., were entirely linked with Yorktown (Virginia, USA) through the surrender of the British on October 19, 1781.

Constantine and York

Washington and Yorktown

Washington was in the mold of Constantine as an Antichrist White Horse Rider. Thus, with this Unsealing, we specifically see that the Lord chose Yorktown, Virginia, as the site of the surrender of the British with Constantine in the background, riding forth from York to conquer. *York* is tied to the *yew tree*, the wood of which is used to make war *bows*.

Review: As was discussed in Unsealing [#16](#) Six vs. Seven – October 19, 1781, at Yorktown: *The World Turned Upside Down*, completing the victory for *The Spirit of '76*, according to legend, the British band played the song *The World Turned Upside Down* as they were surrendering to the Americans and French at Yorktown, Virginia, on October 19, 1781. The Battle of Yorktown victory for the *Declaration of Independence* of 1776 was in fulfillment of a “Body of Americans,” or “Body of George Washington,” counterfeit of Acts 17:6-7, a passage which represents true believers in the Body of Christ. The “Body of Americans” Turned the World Upside Down on October 19, 1781, and in the eyes of the Laodicean Church, which is deceived and confused on the issue of 6 and 7, the “Body of Americans” did so on behalf of Jesus Christ and with the blessings of God.

*Acts 17:6-7 (KJV) And when they found them not, they drew Jason and certain brethren unto the rulers of the city, crying, **These that have TURNED THE WORLD UPSIDE DOWN** are come hither also;*

7 Whom Jason hath received: and these all do contrary to the decrees of Caesar, saying that there is another king, one Jesus.

This painting by Frenchman Louis Nicolas van Blarenberghe of the surrender at Yorktown in 1781 shows a line of defeated British redcoats stretching more than a mile from the ruins of Yorktown marching to surrender at 2 p.m. on October 19, 1781. Their path takes them past the watchful eyes of their vanquishers: on one side of the road, in blue, the neat ranks of the French army; on the other side, the buckskin-clad American patriots. It was said that the British band played the English popular song, **“The World Turned Upside Down.”**
